Item 5.07. Submission of Matters to a Vote of Security Holders.

On October 9, 2015, we held our adjourned annual meeting of stockholders. Stockholders voted only on proposal 4. Proxies were solicited pursuant to our definitive proxy statement filed on July 28, 2015 with the Securities and Exchange Commission under Section 14(a) of the Securities Exchange Act of 1934.

The number of shares of the Company's common stock entitled to vote at the annual meeting was 15,956,565. The number of shares of common stock present or represented by valid proxy at the annual meeting was 11,518,705. Each share of common stock was entitled to one vote with respect to matters submitted to the Company's stockholders at the annual meeting. At the annual meeting, our stockholders voted on only the matter set forth below.

Proposal 4 – Increase in Number of Authorized Shares of Common Stock

Our stockholders voted on an amendment to our Restated Certificate of Incorporation, as amended, to effect an increase in number of authorized shares of common stock, \$0.0001 par value per share, from 30,000,000 to 60,000,000. The vote on this proposal was as follows:

FOR	AGAINST	ABSTAIN
7,967,461	3,343,684	207,560

Although the Proposal was approved by 69% of the shares voted, under Delaware law, we are required to obtain approval from at least 50% of the shares eligible to vote at the meeting. Because the preliminary vote for the proposal to increase our authorized shares is 49.9% of the shares eligible to vote and we received additional votes during the day of our meeting, we've asked Broadridge Financial Solutions, Inc., our proxy tabulation firm, to audit and verify the votes we received. We will disclose the final voting results on an amendment to this Current Report on Form 8-K.
