PROXY STATEMENT

Information Concerning Voting and Solicitation

This Proxy Statement is being furnished to you in connection with the solicitation by the Board of Directors of Oculus Innovative Sciences, Inc., a Delaware corporation (“we,” “us,” “Oculus” or the “Company”), of proxies in the accompanying form to be used at the Annual Meeting of Stockholders of the Company to be held at Marcum, LLP, 750 Third Avenue, 11th Floor, New York, New York 10017, on Monday, September 13, 2010, at 10 a.m., Eastern Daylight Time, and any postponement or adjournment thereof (the “Annual Meeting”).

This Proxy Statement and the accompanying form of proxy are being mailed to stockholders on or about July 29, 2010.

Questions and Answers About the Proxy Materials and the Annual Meeting

What proposals will be voted on at the Annual Meeting?

Three proposals will be voted on at the Annual Meeting:

- The election of two Class II directors, nominated by the Board of Directors, to serve until the 2013 Annual Meeting or until their successors are duly elected and qualified;
- The approval of the Company’s 2010 Stock Incentive plan; and
- The ratification of the appointment of the independent registered public accounting firm for fiscal year ending March 31, 2011.

What are the board’s recommendations?

Our Board recommends that you vote:

- “FOR” election of each of the nominated directors;
- “FOR” the adoption of the Company’s 2010 Stock Incentive Plan; and
- “FOR” ratification of the appointment of the independent registered public accounting firm for fiscal year ending March 31, 2011.

Will there be any other items of business on the agenda?

We do not expect any other items of business because the deadline for stockholder proposals and nominations has already passed. Nonetheless, in case there is an unforeseen need, the accompanying proxy gives discretionary authority to the persons named on the proxy with respect to any other matters that might be brought before the meeting. Those persons intend to vote that proxy in accordance with their best judgment.

Who is entitled to vote?

Stockholders of record at the close of business on July 15, 2010 (the “Record Date”) may vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of the Company’s common stock held as of the Record Date.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record. If your shares are registered directly in your name with Oculus’ transfer agent, BNY Mellon Shareholder Services, you are considered, with respect to those shares, the stockholder of record. The Proxy Statement, Annual Report and proxy card have been sent directly to you by Oculus.

Beneficial Owner. If your shares are held in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name. The Proxy Statement and Annual Report have been forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instruction form included in the mailing.

How do proxies work?

The Board of Directors is asking for your proxy. Giving us your proxy means that you authorize us to vote your shares at the Meeting in the manner you direct. You may vote "FOR" or "AGAINST" all or some of our director nominees. You may also vote "FOR" or "AGAINST" the other item(s) or "ABSTAIN" from voting for any item or any director. If you sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares "FOR" all of our director nominees, "FOR" the adoption of our 2010 Stock Incentive Plan; and "FOR" the ratification of the selection of Marcum LLP as our independent registered public accounting firm.

How do I vote?

You may vote using any of the following methods:

- *By Mail* — Sign and date each proxy card you receive and return it in the prepaid envelope. Sign your name exactly as it appears on the proxy. If you return your signed proxy but do not indicate your voting preferences, your shares will be voted on your behalf "FOR" the election of the nominated directors, , and "FOR" the ratification of the independent registered public accounting firm for fiscal year 2010. Stockholders of record may vote by mail or in person at the Annual Meeting.
- *By Telephone or the Internet* — If you are a beneficial owner, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Telephone and Internet voting will be offered to stockholders owning shares through most banks and brokers. Follow the instructions located on your voting instruction form. Please be aware that if you vote over the Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible. If you vote by telephone or via the Internet you do not need to return your voting instruction form to your bank or broker.
- *In Person at the Annual Meeting* — Shares held in your name as the stockholder of record may be voted at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. ***Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote by telephone or the Internet so that your vote will be counted if you later decide not to attend the meeting.***

What does it mean if I receive more than one proxy card?

If you hold your shares in multiple registrations, or in both registered and street name, you will receive a proxy card for each account. Please mark, sign, date, and return each proxy card you receive. If you choose to vote by telephone or Internet, please vote each proxy card you receive.

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you submitted your proxy by mail, you must file with the Secretary of the Company a written notice of revocation or deliver, prior to the vote at the Annual Meeting, a valid, later-dated proxy. If you submitted your proxy by telephone or the Internet, you may change your vote or revoke your proxy with a later telephone or Internet proxy, as the case may be. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of common stock outstanding on the Record Date will constitute a quorum. As of the close of business on the Record Date, there were 26,277,458 shares of our common stock outstanding. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

How many votes are required to elect directors?

Provided that a quorum is present, the affirmative vote by the holders of a plurality of the shares of common stock present and voting at the Annual Meeting is required to elect each of the nominees for director. Each share of common stock that is represented, in person or by proxy, at the Annual Meeting will be accorded one vote on each nominee for director. Thus, assuming a quorum is present at the Annual Meeting, the two nominees who receive the most affirmative votes will be elected as Class II directors.

Is cumulative voting permitted for the election of directors?

Stockholders may not cumulate votes in the election of directors, which means that each stockholder may vote no more than the number of shares he or she owns for a single director candidate.

What vote is required to approve Proposals 2 and 3?

Proposal 2 and Proposal 3 require the affirmative "FOR" vote of a majority of the shares present and voting at the Annual Meeting in person or by proxy.

How are proxies solicited?

Our employees, officers and directors may solicit proxies. We will bear the cost of soliciting proxies and will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation material to the owners of common stock.

IMPORTANT

Please promptly vote and submit your proxy by signing, dating and returning the enclosed proxy card in the postage-prepaid return envelope so that your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

Each of Messrs. Alton and Birnbaum has agreed to stand for election at the Annual Meeting as Class II directors. Required Vote

With regard to the election of directors, votes may be cast “FOR” or “WITHHOLD.” Provided that a quorum is present, the affirmative vote by the holders of a plurality of the shares of common stock present and voting at the Annual Meeting is required to elect each of the nominees for director. Each share of common stock that is represented, in person or by proxy, at the Annual Meeting will be accorded one vote on each nominee for director. Thus, assuming a quorum is present at the Annual Meeting, the two nominees who receive the most affirmative votes will be elected as Class II directors.

Your Board of Directors recommends a vote FOR the election of the nominees set forth above as directors of Oculus.

Director Independence

As of July 15, 2010, our Board of Directors has determined that Gregg Alton, Jay Birnbaum, Richard Conley and Gregory French are “independent directors” as defined under the standards of independence set forth in the NASDAQ Marketplace Rules and the rules under the Securities Exchange Act of 1934.

Board Meetings

Our Board of Directors held 13 meetings in fiscal year 2010 and, in addition, took action from time to time by unanimous written consent. Each director attended at least 75% of the aggregate number of meetings of the Board of Directors held during the period for which such director served on our Board of Directors and of the Committees on which such director served. In 2006, the independent directors began to meet in regularly scheduled executive sessions at in-person meetings of the Board of Directors without the participation of the Chief Executive Officer or the other members of management. We do not have a policy that requires the attendance of directors at the Annual Meeting. Three of our Board members attended our 2009 Annual Meeting.

Committees of the Board of Directors

Our Board of Directors has appointed an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and an Acquisition and Strategy Committee. With the exception of the Acquisition and Strategy Committee, the Board of Directors has determined that each director who serves on these committees is “independent,” as that term is defined by applicable listing standards of the NASDAQ Global Market and rules of the SEC. The Board of Directors has adopted written charters for each of its Committees. Copies of these charters are available on the investor section of our website (www.oculusis.com). In addition to the number of meetings referenced below, the Committees also took actions by unanimous written consent.

Director Nominations

The Board of Directors nominates directors for election at each Annual Meeting of Stockholders and appoints new directors to fill vacancies when they arise. The Nominating and Corporate Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election.

One of the Board of Directors' objectives is that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The Nominating and Corporate Governance Committee will select candidates for Director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all stockholders. The Nominating and Corporate Governance Committee believes that nominees for Director should have experience, such as experience in management or accounting and finance, or industry and technology knowledge that may be useful to Oculus and the Board of Directors, high personal and professional ethics, and the willingness and ability to devote sufficient time to carry out effectively their duties as directors. The Nominating and Corporate Governance Committee believes it appropriate for at least one, and, preferably, multiple, members of the Board of Directors to meet the criteria for an "audit committee financial expert" as defined by rules of the SEC, and for a majority of the members of the Board of Directors to meet the definition of "independent director" under the rules NASDAQ Marketplace Rules. The Nominating and Corporate Governance Committee also believes it appropriate for key members of our management to participate as members of the Board of Directors.

Prior to each Annual Meeting of Stockholders, the Nominating and Corporate Governance Committee identifies nominees first by evaluating the current Directors whose term will expire at the Annual Meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a Director, and the needs of the Board of Directors with respect to the particular talents and experience of its Directors. In the event that a Director does not wish to continue in service, the Nominating and Corporate Governance Committee determines not to re-nominate the Director, or a vacancy is created on the Board of Directors as a result of a resignation, an increase in the size of the Board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board of Directors members, by any executive search firm engaged by the Committee or by stockholders. The Committee recommended all of the nominees for election included in this Proxy Statement.

A stockholder who wishes to suggest a prospective nominee for the Board of Directors should notify Oculus' Secretary or any member of the Committee in writing with any supporting material the stockholder considers appropriate. In addition, our Bylaws contain provisions addressing the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at our Annual Meeting of Stockholders. In order to nominate a candidate for director, a stockholder must give timely notice in writing to Oculus' Secretary and otherwise comply with the provisions of our Bylaws. To be timely, our Bylaws provide that we must have received the stockholder's notice not earlier than 90 days nor more than 120 days in advance of the one-year anniversary of the date the proxy statement was released to the stockholders in connection with the previous year's Annual Meeting of Stockholders; however, if we have not held an Annual Meeting in the previous year or the date of the Annual Meeting is changed by more than 30 days from the date contemplated at the time of the mailing of the prior year's proxy statement, we must have received the stockholder's notice not later than the close of business on the later of the 90th day prior to the Annual Meeting or the seventh day following the first public announcement of the Annual Meeting date. Information required by the Bylaws to be in the notice includes the name and contact information for the candidate and the person making the nomination and other information about the nominee that must be disclosed in proxy solicitations under Section 14 of the Securities Exchange Act of 1934 and the related rules and regulations under that Section.

Stockholder nominations must be made in accordance with the procedures outlined in, and include the information required by, our Bylaws and must be addressed to: Secretary, Oculus Innovative Sciences, Inc., 1129 N. McDowell Blvd., Petaluma, California 94954. You can obtain a copy of our Bylaws by writing to the Secretary at this address.

Stockholder Communications with the Board of Directors

If you wish to communicate with the Board of Directors, you may send your communication in writing to: Secretary, Oculus Innovative Sciences, Inc., 1129 N. McDowell Blvd., Petaluma, California 94954. Please include your name and address in the written communication and indicate whether you are a stockholder of Oculus. The Secretary will review any communication received from a stockholder, and all material communications from stockholders will be forwarded to the appropriate Director or Directors or Committee of the Board of Directors based on the subject matter.

Certain Relationships and Related Transactions

It is our policy that all employees, officers and directors must avoid any activity that is or has the appearance of conflicting with the interests of our Company. This policy is included in our Code of Business Conduct, and our Board formally adopted Related Party Transaction Policy and Procedures in July 2007 for the approval of interested transactions with persons who are Board members or nominees, executive officers, holders of 5% of our common stock, or family members of any of the foregoing. The Related Party Transaction Policy and Procedures are administered by our Audit Committee. We conduct a review of all related party transactions for potential conflict of interest situations on an ongoing basis and all such transactions relating to executive officers and directors must be approved by the Audit Committee. The following details our transactions with related parties.

On January 26, 2009, we entered into a commercial agreement with VetCure, Inc., a California corporation, to market and sell our Vetericyn products. VetCure, Inc. later changed its name to Vetericyn, Inc. This agreement was amended on February 24, 2009 and on July 24, 2009. At the time of each of these transactions, Vetericyn was wholly-owned by Robert Burlingame, who was a Director at the time of the transactions. Mr. Burlingame resigned from our Board on February 10, 2010. Pursuant to the agreement, we provide Vetericyn, Inc. with bulk product and Vetericyn, Inc. bottles, packages, and sells Vetericyn Inc. products. We receive a fixed amount for each bottle of Vetericyn sold by Vertericyn, Inc. In addition, once certain milestones are met by Vetericyn, Inc., we will share revenue generated by Vetericyn, Inc. related to Vetericyn sales.

On February 24, 2009, we entered into a Purchase Agreement with certain investors, including Robert Burlingame, who was a Director at the time of the transaction. Mr. Burlingame resigned from our Board on February 10, 2010. Pursuant to the terms of the Purchase Agreement, the investors agreed to make a \$3,000,000 investment in us. The investors paid \$1,000,000 (net proceeds of \$948,000 after deducting offering expenses) for 854,701 shares of common stock on February 24, 2009 and paid \$2,000,000 for 1,709,402 shares of common stock on June 1, 2009. In addition, we issued to the investors Series A Warrants to purchase a total of 1,500,000 shares of common stock pro rata to the number of shares of common stock issued on each closing date at an exercise price of \$1.87 per share. The Series A Warrants became exercisable after six months and have a five year term. We also issued to the investors Series B Warrants to purchase a total of 2,000,000 shares of common stock pro rata to the number of shares of common stock issued on each closing date at an exercise price of \$1.13 per share. The Series B Warrants became exercisable after six months and have a three year term. In addition, for every two shares of common stock the investor purchases upon exercise of a Series B Warrant, the investor will receive an additional Series C Warrant to purchase one share of common stock. The Series C Warrant shall be exercisable after six months and will have an exercise price of \$1.94 per share and a five year term. We will only be obligated to issue Series C Warrants to purchase up to 1,000,000 shares of common stock.

On April 1, 2009, we entered into a six month agreement with Robert Burlingame, who was a Director at the time of the transaction. Pursuant to the agreement, Mr. Burlingame provided us with sales and marketing expertise and services as part of another revenue sharing agreement. In consideration of his services, on June 12, 2009, we issued Mr. Burlingame 435,897 unregistered shares of our common stock.

On September 15, 2009, we entered a commercial agreement with V&M Industries, Inc., a California corporation, to market and sell our Microcyn over-the-counter liquid and gel products. V&M Industries, Inc. was wholly-owned by Robert Burlingame, who was a Director at the time of the transaction. V&M Industries, Inc. subsequently changed their name to Innovacyn, Inc. We manufacture certain Microcyn products and will continue to bear all inventory and collection risks related to most of these sales. Once certain milestones are met by Innovacyn, we will share revenue generated by Innovacyn related to Microcyn OTC sales.

Narrative to Director Compensation Table

Pursuant to our non-employee director compensation plan, each non-employee director receives an annual retainer of \$25,000. In fiscal years 2009 and 2010, the Board elected to defer such cash payments to preserve capital for the Company. The Chairperson of the Board of Directors receives \$15,000 annually and the Lead Member of the Board of Directors, if different from the Chairperson, receives \$10,000 annually. The Chairman of our Audit Committee receives an annual retainer of \$10,000; non-chairperson members of the Audit Committee receive an additional \$5,000 annually. The chairpersons of the Compensation Committee and Nominating and Corporate Governance Committees of the Board receive an annual retainer of \$5,000. Non-chairperson members of the Compensation Committee and Nominating and Corporate Governance Committee receive an additional \$2,000 annually. The members may elect to receive stock options in lieu of cash. We also reimburse our non-employee directors for reasonable expenses in connection with attendance at Board of Director and Committee meetings.

In addition to cash compensation for services as a member of the board, non-employee directors are also eligible to receive nondiscretionary, automatic grants of stock options under our 2006 Stock Incentive Plan. An outside director who joins our Board is automatically granted an initial option to purchase 50,000 shares upon first becoming a member of our board. The initial option vests and becomes exercisable over three years, with the first one-third of the shares vesting on the first anniversary of the date of grant and the remainder vesting monthly thereafter. After each of our regularly scheduled Annual Meetings of Stockholders, each outside Director is automatically granted an option to purchase 15,000 shares of our common stock, provided that no annual grant shall be granted to a non-employee director in the same calendar year that such person received his or her initial grant. These options vest in equal monthly increments over the period of one year.

Directors who are our employees do not receive any fees for their service on our Board of Directors or for their service as a chair or committee member. During the fiscal year ended March 31, 2010, Messrs. Alimi and Schutz were our only employee directors.

Employment Agreements of Each Named Executive Officer and Potential Payments Upon Termination

We have entered into employment agreements with each of our named executive officers, each of which provides for payment to such named executive officers in the event of termination without cause or resignation by the named executive officer for good reason, as that term is defined in the agreements with our Company. In the event any of Messrs. Alimi, Miller, or Schutz is terminated without cause or resigns for good reason, the named executive officer is entitled to:

- a lump severance payment equal to 18 times, in the case of Mr. Miller and Mr. Schutz, 24 times, in the case of Mr. Alimi, the average monthly base salary paid to the named executive officer over the preceding 12 months (or for the term of the named executive officer's employment if less than 12 months);
- automatic vesting of all unvested options and other equity awards;
- the extension of exercisability of all options and other equity awards to at least 12 months following the date the named executive officer terminates employment or, if earlier, until the option expires;
- up to one year (the lesser of one year following the date of termination or until such named executive officer becomes eligible for medical insurance coverage provided by another employer) reimbursement for health care premiums under COBRA; and
- a full gross up of any excise taxes payable by the officer under Section 4999 of the Internal Revenue Code because of the foregoing payments and acceleration (including the reimbursement of any additional federal, state and local taxes payable as a result of the gross up).

Any of Messrs. Miller, or Schutz may terminate his employment for any reason upon at least 30 days prior written notice. Mr. Alimi may terminate his employment for any reason upon at least 60 days prior written notice.

Receipt of the termination benefits described above is contingent on each named executive officer executing a general release of claims against our Company, his resignation from any and all directorships and every other position held by him with our Company or any of its subsidiaries and his return to our Company of all Company property received from or on account of our Company or any of its affiliates by such named executive officer. In addition, the named executive officer is not entitled to such benefits if he did not comply with the non-competition and invention assignment provisions of his employment agreement during the term of his employment or the confidentiality provisions of his employment agreement, whether during or after the term of his employment. Furthermore, we are under no obligation to pay the above-mentioned benefits if the named executive officer does not comply with the non-solicitation provisions of his employment agreement, which prohibit a terminated officer from interfering with the business relations of our Company or any of its affiliates and from soliciting employees of our Company, which provisions apply during the term of employment and for two years following termination.

The table below was prepared as though each of the named executive officers had been terminated without cause on March 31, 2010, the last business day of our last completed fiscal year, or resigned for good reason, as that term is defined in the agreements with our Company. More detailed information about the payment of benefits, including duration, is contained in the discussion above. All such payments and benefits would be provided by our Company. The assumptions and valuations are noted in the footnotes.

Name	Salary Continuation	Continuation of Health and Welfare Benefits(1)	Value of Unvested Equity Awards(2)	Excise Tax and Gross-up(3)
Hojabr Alimi	\$ 752,885	\$ 10,736	\$ 199,818	\$ 450,407

Jim Schutz	386,250	10,736	150,751	256,067

Notes

- (1) Amount assumes our cost of providing health and welfare benefits for twelve months.
- (2) The values reflect the immediate vesting of all outstanding options and other equity awards as of termination, based on a March 31, 2010 closing stock price of \$2.12 and exclude amounts for accelerated options that have an exercise price higher than such closing stock price.

(3) The assumptions used to calculate excise and associated taxes are as follows:

- termination occurs on March 31, 2010; and
- named executive officer was assumed to be subject to the maximum Federal and California income and other payroll taxes, aggregating to an effective tax rate of 46.75%.

2011 Bonus Program

In June 2010, we established our 2011 Bonus Program. The 2011 Bonus Program covers bonuses earned through March 31, 2011 although such bonuses are paid after our fiscal year end financials are compiled and reported. Pursuant to our 2011 Bonus Program, each employee and executive officer, including our named executive officers, has the potential to earn an annual bonus based on the Compensation Committee's assessment of the individual's and our Company's contribution to target goals and milestones. Specific goals and milestones and a bonus potential range for each employee and executive officer, including our named executive officers, are set forth in the bonus plan. The Compensation Committee will generally determine whether a bonus pool for executive officers and non-executive employees will be established within a specified time period after the end of each fiscal year. If a bonus pool is established, the Compensation Committee has discretion to set appropriate bonus amounts within an executive officer's bonus range, based on the Compensation Committee's assessment of corporate and individual achievements.

The Compensation Committee may decide that bonuses awarded to executive officers and non-executive employees under the bonus plan will be paid in cash, options, or a combination of cash and options, depending on our Company's year-end cash position, cash needs and projected cash receipts. The Compensation Committee will not declare any bonus pool or grant any cash awards that will endanger our ability to finance our operations and strategic objectives or place us in a negative cash flow position, in light of our anticipated cash needs.

2010 Bonus Program

On June 29, 2010, we granted a cash bonus of \$83,000 to Hojabr Alimi, our Chairman of the Board of Directors and Chief Executive Officer. This bonus was paid pursuant to the 2010 Bonus Program.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee operates under a written charter adopted by the Board of Directors. A link to a copy of the Audit Committee Charter is available on our website at www.oculusis.com. All members of the Audit Committee meet the independence standards established by the NASDAQ Global Market.

The Audit Committee assists the Board of Directors in fulfilling its responsibility to oversee management's implementation of Oculus' financial reporting process. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to assess the Company's internal control over financial reporting. Management is responsible for the financial statements and the reporting process, including the system of internal control over financial reporting and disclosure controls. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In discharging its oversight role, the Audit Committee reviewed and discussed the audited financial statements contained in the 2010 Annual Report with Oculus' management and the independent registered public accounting firm.

The Audit Committee met privately with the independent registered public accounting firm, and discussed issues deemed significant by the independent registered public accounting firm, including those required by Statements on Auditing Standards No. 61 and No. 90 (Audit Committee Communications). In addition, the Audit Committee discussed with the independent registered public accounting firm the firm's independence from Oculus and its management, including the matters in the written disclosures required by Independence Standards board Standard No. 1 (Independence Discussions with Audit Committees), and considered whether the provision of non-audit services was compatible with maintaining the independent registered public accounting firm's independence.

The Audit Committee has discussed with Oculus' independent registered public accounting firm, with and without management present, their evaluations of Oculus' internal control over financial reporting and the overall quality of Oculus' financial reporting.

In reliance on the reviews and discussion with management and the independent registered public accounting firm referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, the inclusion of the audited financial statements in Oculus' Annual Report on Form 10-K for the year ended March 31, 2010, for filing with the SEC. PROPOSAL 2

APPROVAL OF THE 2010 STOCK INCENTIVE PLAN

On July 28, 2010, the Board of Directors adopted, subject to shareholder approval, the 2010 Stock Incentive Plan. The following is a general summary of the 2010 Stock Incentive Plan and is qualified in its entirety by the full text of the 2010 Stock Incentive Plan attached to this Proxy Statement as Exhibit A. Capitalized terms not defined herein have the meanings ascribed to such terms in the plan document.

General

The 2010 Stock Incentive Plan is to be administered by the Compensation Committee of our Board of Directors. The 2010 Stock Incentive Plan provides for the direct award or sale of shares of common stock of our Company and for the grant of options to purchase shares of our common stock. The 2010 Stock Incentive Plan provides for the grant of incentive stock options as defined in Section 422 of the Internal Revenue Code and the grant of non-statutory stock options and stock purchase rights to employees, non-employee directors, advisors and consultants. The 2010 Stock Incentive Plan also permits the grant of stock appreciation rights, stock units and restricted stock.

The Board of Directors has authorized three million shares of our common stock for issuance under the 2010 Stock Incentive Plan, including automatic increases provided for in the 2010 Stock Incentive Plan through April 1, 2020. The number of shares of our common stock reserved for issuance under the 2010 Stock Incentive Plan will automatically increase, with no further action by the stockholders, at the beginning of each fiscal year by an amount equal to the lesser of (i) 15% of the outstanding shares of our common stock on the last day of the immediately preceding year, or (ii) an amount approved by the Board of Directors.

Purpose of the 2010 Plan

Stockholder approval of the 2010 Stock Incentive Plan has certain tax benefits. Our 2010 Stock Incentive Plan allows it to award “incentive stock options,” which receive favorable tax treatment under the Internal Revenue Code. The stock option grants under the 2010 Stock Incentive Plan cannot qualify as incentive stock options unless the Plan is approved by our stockholders.

Additionally, the 2010 Stock Incentive Plan is also specifically designed to preserve our ability to deduct the compensation we pay certain executive officers for income tax purposes. Section 162(m) of the Internal Revenue Code generally prevents us from deducting more than \$1.0 million in compensation each year for our chief executive officer and our three most highly compensated executive officers other than the chief executive officer or chief financial officer. Compensation treated as “qualified performance-based compensation” under Section 162(m) is not subject to this limitation. Any awards granted under the 2010 Stock Incentive Plan may be treated as “qualified performance-based compensation” only if the plan is approved by a majority vote of our stockholders.

Finally, as an issuer listed on the NASDAQ Global Market, we are required by the rules of the NASDAQ Stock Market to obtain stockholder approval of any stock option or purchase plan or other equity compensation arrangement under which our officers, directors, employees or consultants may acquire shares of our common stock, prior to our issuance of securities under such a plan.

Administration

The 2010 Stock Incentive Plan will be administered by the Compensation Committee of the Board of Directors. The Committee shall have full authority and discretion to take the following actions: (i) to interpret the 2010 Stock Incentive Plan and apply its provisions; (ii) to adopt, amend or rescind rules, procedures and forms relating to the 2010 Stock Incentive Plan; (iii) to adopt, amend or terminate sub-plans established for the purposes of satisfying applicable foreign laws including qualifying for preferred tax treatment under applicable foreign tax laws; (iv) to authorize any person to execute, on behalf of our Company, any instrument required to carry out the purposes of the 2010 Stock Incentive Plan; (v) to determine when Awards are to be granted under the 2010 Stock Incentive Plan; (vi) to select the Offerees and Optionees; (vii) to determine the number of Shares to be made subject to each Award; (viii) to prescribe the terms and conditions of each Award, including (without limitation) the Exercise Price and Purchase Price, and the vesting or duration of the Award (including accelerating the vesting of Awards, either at the time of the Award or thereafter, without the consent of the Participant), to determine whether an Option is to be classified as an Incentive Stock Option or as a Nonstatutory Option, and to specify the provisions of the agreement relating to such Award; (ix) to amend any outstanding Award agreement, subject to applicable legal restrictions and to the consent of the Participant if the Participant's rights or obligations would be materially impaired; (x) to prescribe the consideration for the grant of each Award or other right under the 2010 Stock Incentive Plan and to determine the sufficiency of such consideration; (xi) to determine the disposition of each Award or other right under the 2010 Stock Incentive Plan in the event of a Participant's divorce or dissolution of marriage; (xii) to determine whether Awards under the 2010 Stock Incentive Plan will be granted in replacement of other grants under an incentive or other compensation plan of an acquired business; (xiii) to correct any defect, supply any omission, or reconcile any inconsistency in the 2010 Stock Incentive Plan or any Award agreement; (xiv) to establish or verify the extent of satisfaction of any performance goals or other conditions applicable to the grant, issuance, exercisability, vesting and/or ability to retain any Award; and (xv) to take any other actions deemed necessary or advisable for the administration of the 2010 Stock Incentive Plan.

Participants

Participants of the 2010 Stock Incentive Plan will include certain employees of our Company and certain advisors, including non-employee members of the Board who perform services for us, as designated by the Compensation Committee of the Board of Directors.

Available Shares

Subject to adjustment (for example, in the event of recapitalization, stock split, stock dividend, merger, reorganization or similar event), the maximum number of shares of common stock that may be issued under the 2010 Stock Incentive Plan is three million shares. Additionally, the 2010 Stock Incentive Plan permits an annual increase on the first day of each fiscal year during the term of the 2010 Stock Incentive Plan, beginning April 1, 2011, in an amount equal to the lesser of (i) 15% of the outstanding shares on the last day of the immediately preceding year, or (ii) an amount determined by the Board. The number of shares that are subject to Options or other Awards outstanding at any time under the 2010 Stock Incentive Plan shall not exceed the number of shares which then remain available for issuance under the 2010 Stock Incentive Plan. During the term of the Plan, we intend to at all times reserve and keep available sufficient shares to satisfy the requirements of the 2010 Stock Incentive Plan.

Awards

Awards under the 2010 Stock Incentive Plan may consist of grants of (i) Restricted Shares, (ii) Stock Options, (iii) Stock Appreciation Rights, and (iv) Stock Units (collectively "Grants"). The terms and features of the various forms of Grants are described more fully in the 2010 Stock Incentive Plan itself, attached as Exhibit A.

An Employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of our Company, a Parent or Subsidiary is not eligible for the grant of an Incentive Stock Option unless such grant satisfies the requirements of Section 422(c)(5) of the Code.

Reorganization

In the event that we are a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement shall provide for: (i) the continuation of the outstanding Awards by us, if we are a surviving corporation; (ii) the assumption of the outstanding Awards by the surviving corporation or its parent or subsidiary; (iii) the substitution by the surviving corporation or its parent or subsidiary of its own awards for the outstanding Awards; (iv) full exercisability or vesting and accelerated expiration of the outstanding Awards; or (v) settlement of the full value of the outstanding Awards in cash or cash equivalents followed by cancellation of such awards.

Termination and Amendment

The 2010 Stock Incentive Plan shall terminate on the day immediately preceding the tenth anniversary of the effective date of the 2010 Stock Incentive Plan, unless the 2010 Stock Incentive Plan is terminated earlier by the Board of Directors, or is extended by the Board of Directors with the approval of the shareholders. The Board of Directors may amend or terminate the 2010 Stock Incentive Plan at any time and from time to time. Rights and obligations under any Award granted before amendment of the 2010 Stock Incentive Plan shall not be materially impaired by such amendment, except with the consent of the Participant. An amendment of the 2010 Stock Incentive Plan shall be subject to the approval of our stockholders only to the extent required by applicable laws, regulations or rules.

Outstanding Grants and Effect on Prior Plans

The 2010 Stock Incentive Plan shall not be deemed an amendment or restatement of any previous stock incentive plan. Nothing in the 2010 Stock Incentive Plan shall be deemed to impair the rights of or give any new or additional right to any person who received grants under previous stock incentive plans.

Vote Required

To be approved, Proposal 2 must receive “For” votes from a majority of the shares represented in person or by proxy to become effective. Unless marked to the contrary, proxies received will be voted “FOR” the approval of the 2010 Stock Incentive Plan.

Your Board of Directions recommends a vote FOR approval of the 2010 Stock Incentive Plan.

Unless marked to the contrary, proxies received will be voted “FOR” the approval of the amendment to 2010 Stock Incentive Plan.

PROPOSAL 3

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Marcum LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2011. Representatives of Marcum LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions. Although stockholder ratification of our independent registered public accounting firm is not required by our Bylaws or otherwise, we are submitting the selection of Marcum LLP to our stockholders for ratification to permit stockholders to participate in this important corporate decision.

Principal Accountant Fees and Services

Marcum LLP has audited our financial statements since April 2006. Aggregate fees for professional services provided to us by Marcum LLP for the years ended March 31, 2010 and 2009, were as follows:

Services Provided	<u>2010</u>	<u>2009</u>
Audit	\$ 164,000	\$ 162,000
Audit-Related	121,000	90,000
Total	285,000	252,000

Audit fees. The aggregate fees billed for the years ended March 31, 2010 and 2009 for professional services rendered by our principal accountants were for the audit of our financial statements.

Audit related fees. For the years ended March 31, 2010 and 2009, audit-related fees included services provided in connection with the review of our quarterly financial information filed on form 10-Q, consents related to filings on Form S-1 and review of our filings with the SEC.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm. All of the services provided during fiscal year 2010 were pre-approved.

During the approval process, the Audit Committee considered the impact of the types of services and the related fees on the independence of the independent registered public accounting firm. The services and fees were deemed compatible with the maintenance of that firm’s independence, including compliance with rules and regulations of the SEC.

Throughout the year, the Audit Committee will review any revisions to the estimates of audit fees initially estimated for the engagement.

Required Vote

Ratification of the appointment of Marcum LLP requires the affirmative vote of a majority of the shares present and voting at the Annual Meeting in person or by proxy. Unless marked to the contrary, proxies received will be voted "FOR" ratification of the appointment. In the event ratification is not obtained, the Audit Committee will review its future selection of our independent registered public accounting firm but will not be required to select a different independent registered public accounting firm.

Your Board of Directors recommends a vote FOR ratification of Marcum LLP as our independent registered public accounting firm.

STOCKHOLDER PROPOSALS FOR THE 2011 ANNUAL MEETING

If a stockholder wishes to present a proposal to be included in our proxy statement for the 2011 Annual Meeting of Stockholders, the proponent and the proposal must comply with the proxy proposal submission rules of the SEC. One of the requirements is that the proposal be received by Oculus' Secretary no later than May 13, 2011. Proposals we receive after that date will not be included in the proxy statement. We urge stockholders to submit proposals by Certified Mail — Return Receipt Requested.

A stockholder proposal not included in our proxy statement for the 2011 Annual Meeting will not be eligible for presentation at the meeting unless the stockholder gives timely notice of the proposal in writing to our Secretary at our principal executive offices and otherwise complies with the provisions of our Bylaws. To be timely, the Bylaws provide that we must have received the stockholder's notice not earlier than 90 days nor more than 120 days in advance of the one-year anniversary of the date the proxy statement was released to the stockholders in connection with the previous year's Annual Meeting of Stockholders; however, if the date of the Annual Meeting is changed by more than 30 days from the date contemplated at the time of the mailing of the prior year's proxy statement, we must have received the stockholder's notice not later than the close of business on the later of the 90th day prior to the Annual Meeting or the 7th day following the first public announcement of the Annual Meeting date. The stockholder's notice must set forth, as to each proposed matter: a brief description of the business desired to be brought before the meeting; the text of the proposal or business and reasons for conducting such business at the meeting; the name and address, as they appear on our books, of the stockholder proposing such business and the beneficial owner, if any, on whose behalf the proposal is made; the class and number of shares of our securities that are owned beneficially and of record by the stockholder and the beneficial owner; any material interest of the stockholder in such business; and any other information that is required to be provided by such stockholder pursuant to proxy proposal submission rules of the SEC. The presiding officer of the meeting may refuse to acknowledge any matter not made in compliance with the foregoing procedure.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership on Forms 3, 4 and 5 with the SEC. Officers, directors and greater than 10% stockholders are required to furnish us with copies of all Forms 3, 4 and 5 they file.

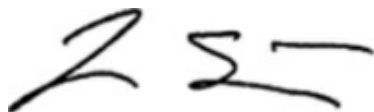

Based solely on our review of the copies of such forms we have received and written representations from certain reporting person that they filed all required reports, we believe that all of our officers, directors and greater than 10% stockholders complied with all Section 16(a) filing requirements applicable to them with respect to transactions during fiscal year 2010.

OTHER MATTERS

Your Board of Directors does not know of any other business that will be presented at the Annual Meeting. If any other business is properly brought before the Annual Meeting, your proxy holders will vote on it as they think best unless you direct them otherwise in your proxy instructions.

Whether or not you intend to be present at the Annual Meeting, we urge you to submit your signed proxy promptly.

By Order of the Board of Directors.

The Plan seeks to achieve this purpose by providing for Awards in the form of restricted shares, stock units, options (which may constitute incentive stock options or nonstatutory stock options) or stock appreciation rights.

SECTION 2. DEFINITIONS

 - (i) A change in the composition of the Board of Directors occurs, as a result of which fewer than one-half of the incumbent directors are directors who either:

 - (B) Were elected, or nominated for election, to the Board of Directors with the affirmative votes of at least a majority of the aggregate of the original directors who were still in office at the time of the election or nomination and the directors whose election or nomination was previously so approved (the "continuing directors"); or

(iii) The consummation of a merger or consolidation of the Company with or into another entity or any other corporate reorganization, if persons who were not stockholders of the Company immediately prior to such merger, consolidation or other reorganization own immediately after such merger, consolidation or other reorganization 50% or more of the voting power of the outstanding securities of each of (A) the continuing or surviving entity and (B) any direct or indirect parent corporation of such continuing or surviving entity; or

- (i) such requirements as the Securities and Exchange Commission may establish for administrators acting under plans intended to qualify for exemption under Rule 16b-3 (or its successor) under the Exchange Act; and
 - (ii) such requirements as the Internal Revenue Service may establish for outside directors acting under plans intended to qualify for exemption under Section 162(m)(4)(C) of the Code.
- (b) *Committee for Non-Officer Grants.* The Board may also appoint one or more separate committees of the Board, each composed of one or more directors of the Company who need not satisfy the requirements of Section 3(a), who may administer the Plan with respect to Employees who are not considered officers or directors of the Company under Section 16 of the Exchange Act, may grant Awards under the Plan to such Employees and may determine all terms of such grants. Within the limitations of the preceding sentence, any reference in the Plan to the Committee shall include such committee or committees appointed pursuant to the preceding sentence. The Board of Directors may also authorize one or more officers of the Company to designate Employees, other than officers under Section 16 of the Exchange Act, to receive Awards and/or to determine the number of such Awards to be received by such persons; provided, however, that the Board of Directors shall specify the total number of Awards that such officers may so award.
- (c) *Committee Procedures.* The Board of Directors shall designate one of the members of the Committee as chairman. The Committee may hold meetings at such times and places as it shall determine. - (vi) To select the Offerees and Optionees;
- (vii) To determine the number of Shares to be made subject to each Award;
- (viii) To prescribe the terms and conditions of each Award, including (without limitation) the Exercise Price and Purchase Price, and the vesting or duration of the Award (including accelerating the vesting of Awards, either at the time of the Award or thereafter, without the consent of the Participant), to determine whether an Option is to be classified as an ISO or as a Nonstatutory Option, and to specify the provisions of the agreement relating to such Award;
- (ix) To amend any outstanding Award agreement, subject to applicable legal restrictions and to the consent of the Participant if the Participant's rights or obligations would be materially impaired;
- (x) To prescribe the consideration for the grant of each Award or other right under the Plan and to determine the sufficiency of such consideration;
- (xi) To determine the disposition of each Award or other right under the Plan in the event of a Participant's divorce or dissolution of marriage;

- (xv) To take any other actions deemed necessary or advisable for the administration of the Plan.

Subject to the requirements of applicable law, the Committee may designate persons other than members of the Committee to carry out its responsibilities and may prescribe such conditions and limitations as it may deem appropriate, except that the Committee may not delegate its authority with regard to the selection for participation of or the granting of Options or other rights under the Plan to persons subject to Section 16 of the Exchange Act. All decisions, interpretations and other actions of the Committee shall be final and binding on all Offerees, all Optionees, and all persons deriving their rights from an Offeree or Optionee. No member of the Committee shall be liable for any action that he has taken or has failed to take in good faith with respect to the Plan, any Option, or any right to acquire Shares under the Plan.

SECTION 4. ELIGIBILITY

(a) General Rule. Only common-law employees of the Company, a Parent or a Subsidiary shall be eligible for the grant of ISOs. Only Employees, Consultants and Outside Directors shall be eligible for the grant of Restricted Shares, Stock Units, Nonstatutory Options or SARs.

(b) Ten-Percent Stockholders. An Employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Company, a Parent or Subsidiary shall not be eligible for the grant of an ISO unless such grant satisfies the requirements of Section 422(c)(5) of the Code.

(c) Attribution Rules. For purposes of Section 4(c) above, in determining stock ownership, an Employee shall be deemed to own the stock owned, directly or indirectly, by or for such Employee's brothers, sisters, spouse, ancestors and lineal descendants. Stock owned, directly or indirectly, by or for a corporation, partnership, estate or trust shall be deemed to be owned proportionately by or for its stockholders, partners or beneficiaries.

(d) Outstanding Stock. For purposes of Section 4(c) above, "outstanding stock" shall include all stock actually issued and outstanding immediately after the grant. "Outstanding stock" shall not include shares authorized for issuance under outstanding options held by the Employee or by any other person.

SECTION 5. STOCK SUBJECT TO PLAN

(a) Basic Limitation. Shares offered under the Plan shall be authorized but unissued Shares or treasury Shares. The aggregate number of Shares authorized for issuance as Awards under the Plan shall not exceed 3,000,000 Shares, plus an annual increase on the first day of each fiscal year during the term of the Plan, beginning April 1, 2011, in an amount equal to the lesser of (i) 15% of the outstanding Shares on the last day of the immediately preceding year or (ii) an amount determined by the Board. The limitations of this Section 5(a) shall be subject to adjustment pursuant to Section 11. The number of Shares that are subject to Options or other Awards outstanding at any time under the Plan shall not exceed the number of Shares which then remain available for issuance under the Plan. The Company, during the term of the Plan, shall at all times reserve and keep available sufficient Shares to satisfy the requirements of the Plan.

(b) Award Limitation. No Participant may receive Options, SARs, Restricted Shares or Stock Units under the Plan in any calendar year that relate to more than 750,000 Shares.

(c) Additional Shares. If Restricted Shares or Shares issued upon the exercise of Options are forfeited, then such Shares shall again become available for Awards under the Plan. If Stock Units, Options or SARs are forfeited or terminate for any other reason before being exercised, then the corresponding Shares shall again become available for Awards under the Plan. If Stock Units are settled, then only the number of Shares (if any) actually issued in settlement of such Stock Units shall reduce the number available under Section 5(a) and the balance shall again become available for Awards under the Plan. If SARs are exercised, then only the number of Shares (if any) actually issued in settlement of such SARs shall reduce the number available in Section 5(a) and the balance shall again become available for Awards under the Plan.

SECTION 6. RESTRICTED SHARES

(a) Restricted Stock Agreement. Each grant of Restricted Shares under the Plan shall be evidenced by a Restricted Stock Agreement between the recipient and the Company. Such Restricted Shares shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Restricted Stock Agreements entered into under the Plan need not be identical.

(b) Payment for Awards. Subject to the following sentence, Restricted Shares may be sold or awarded under the Plan for such consideration as the Committee may determine, including (without limitation) cash, cash equivalents, full-recourse promissory notes, past services and future services.

(c) Vesting. Each Award of Restricted Shares may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Restricted Stock Agreement. A Restricted Stock Agreement may provide for accelerated vesting in the event of the Participant's death, disability or retirement or other events. The Committee may determine, at the time of granting Restricted Shares of thereafter, that all or part of such Restricted Shares shall become vested in the event that a Change in Control occurs with respect to the Company.

(d) Voting and Dividend Rights. The holders of Restricted Shares awarded under the Plan shall have the same voting, dividend and other rights as the Company's other stockholders. A Restricted Stock Agreement, however, may require that the holders of Restricted Shares invest any cash dividends received in additional Restricted Shares. Such additional Restricted Shares shall be subject to the same conditions and restrictions as the Award with respect to which the dividends were paid.

(e) Restrictions on Transfer of Shares. Restricted Shares shall be subject to such rights of repurchase, rights of first refusal or other restrictions as the Committee may determine. Such restrictions shall be set forth in the applicable Restricted Stock Agreement and shall apply in addition to any general restrictions that may apply to all holders of Shares.

SECTION 7. TERMS AND CONDITIONS OF OPTIONS

(a) *Stock Option Agreement.* Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Company. Such Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Committee deems appropriate for inclusion in a Stock Option Agreement. The Stock Option Agreement shall specify whether the Option is an ISO or an NSO. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical. Options may be granted in consideration of a reduction in the Optionee's other compensation.

(b) *Number of Shares.* Each Stock Option Agreement shall specify the number of Shares that are subject to the Option and shall provide for the adjustment of such number in accordance with Section 11.

(c) *Exercise Price.* Each Stock Option Agreement shall specify the Exercise Price. The Exercise Price of an ISO shall not be less than 100% of the Fair Market Value of a Share on the date of grant, except as otherwise provided in 4(c), and the Exercise Price of an NSO shall not be less than 85% of the Fair Market Value of a Share on the date of grant. Subject to the foregoing in this Section 7(c), the Exercise Price under any Option shall be determined by the Committee at its sole discretion. The Exercise Price shall be payable in one of the forms described in Section 8.

(d) *Withholding Taxes.* As a condition to the exercise of an Option, the Optionee shall make such arrangements as the Committee may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such exercise. The Optionee shall also make such arrangements as the Committee may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with the disposition of Shares acquired by exercising an Option.

(e) *Exercisability and Term.* Each Stock Option Agreement shall specify the date when all or any installment of the Option is to become exercisable. The Stock Option Agreement shall also specify the term of the Option; provided that the term of an ISO shall in no event exceed 10 years from the date of grant (five years for Employees described in Section 4(c)). A Stock Option Agreement may provide for accelerated exercisability in the event of the Optionee's death, disability, or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's Service. Options may be awarded in combination with SARs, and such an Award may provide that the Options will not be exercisable unless the related SARs are forfeited. Subject to the foregoing in this Section 7(e), the Committee at its sole discretion shall determine when all or any installment of an Option is to become exercisable and when an Option is to expire.

(f) Exercise of Options. Each Stock Option Agreement shall set forth the extent to which the Optionee shall have the right to exercise the Option following termination of the Optionee's Service with the Company and its Subsidiaries, and the right to exercise the Option of any executors or administrators of the Optionee's estate or any person who has acquired such Option(s) directly from the Optionee by bequest or inheritance. Such provisions shall be determined in the sole discretion of the Committee, need not be uniform among all Options issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of Service.

(g) Effect of Change in Control. The Committee may determine, at the time of granting an Option or thereafter, that such Option shall become exercisable as to all or part of the Shares subject to such Option in the event that a Change in Control occurs with respect to the Company.

(h) No Rights as a Stockholder. An Optionee, or a transferee of an Optionee, shall have no rights as a stockholder with respect to any Shares covered by his Option until the date of the issuance of a stock certificate for such Shares. No adjustments shall be made, except as provided in Section 11.

(i) Modification, Extension and Renewal of Options. Within the limitations of the Plan, the Committee may modify, extend or renew outstanding options or may accept the cancellation of outstanding options (to the extent not previously exercised), whether or not granted hereunder, in return for the grant of new Options for the same or a different number of Shares and at the same or a different exercise price, or in return for the grant of the same or a different number of Shares. The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, materially impair his or her rights or obligations under such Option.

(j) Restrictions on Transfer of Shares. Any Shares issued upon exercise of an Option shall be subject to such special forfeiture conditions, rights of repurchase, rights of first refusal and other transfer restrictions as the Committee may determine. Such restrictions shall be set forth in the applicable Stock Option Agreement and shall apply in addition to any general restrictions that may apply to all holders of Shares.

(k) Buyout Provisions. The Committee may at any time (a) offer to buy out for a payment in cash or cash equivalents an Option previously granted or (b) authorize an Optionee to elect to cash out an Option previously granted, in either case at such time and based upon such terms and conditions as the Committee shall establish.

SECTION 8. PAYMENT FOR SHARES

(a) General Rule. The entire Exercise Price or Purchase Price of Shares issued under the Plan shall be payable in lawful money of the United States of America at the time when such Shares are purchased, except as provided in Section 8(b) through Section 8(g) below.

(b) Surrender of Stock. To the extent that a Stock Option Agreement so provides, payment may be made all or in part by surrendering, or attesting to the ownership of, Shares which have already been owned by the Optionee or his representative. Such Shares shall be valued at their Fair Market Value on the date when the new Shares are purchased under the Plan. The Optionee shall not surrender, or attest to the ownership of, Shares in payment of the Exercise Price if such action would cause the Company to recognize compensation expense (or additional compensation expense) with respect to the Option for financial reporting purposes.

(c) Services Rendered. At the discretion of the Committee, Shares may be awarded under the Plan in consideration of services rendered to the Company or a Subsidiary prior to the award. If Shares are awarded without the payment of a Purchase Price in cash, the Committee shall make a determination (at the time of the award) of the value of the services rendered by the Offeree and the sufficiency of the consideration to meet the requirements of Section 6(b).

(d) Cashless Exercise. To the extent that a Stock Option Agreement so provides, payment may be made all or in part by delivery (on a form prescribed by the Committee) of an irrevocable direction to a securities broker to sell Shares and to deliver all or part of the sale proceeds to the Company in payment of the aggregate Exercise Price.

(e) Exercise/Pledge. To the extent that a Stock Option Agreement so provides, payment may be made all or in part by delivery (on a form prescribed by the Committee) of an irrevocable direction to a securities broker or lender to pledge Shares, as security for a loan, and to deliver all or part of the loan proceeds to the Company in payment of the aggregate Exercise Price.

(f) Promissory Note. To the extent that a Stock Option Agreement or Restricted Stock Agreement so provides, payment may be made all or in part by delivering (on a form prescribed by the Company) a full-recourse promissory note.

(g) Other Forms of Payment. To the extent that a Stock Option Agreement or Restricted Stock Agreement so provides, payment may be made in any other form that is consistent with applicable laws, regulations and rules.

(h) Limitations under Applicable Law. Notwithstanding anything herein or in a Stock Option Agreement or Restricted Stock Agreement to the contrary, payment may not be made in any form that is unlawful, as determined by the Committee in its sole discretion.

SECTION 9. STOCK APPRECIATION RIGHTS

(a) SAR Agreement. Each grant of a SAR under the Plan shall be evidenced by a SAR Agreement between the Optionee and the Company. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various SAR Agreements entered into under the Plan need not be identical. SARs may be granted in consideration of a reduction in the Optionee's other compensation.

(b) Number of Shares. Each SAR Agreement shall specify the number of Shares to which the SAR pertains and shall provide for the adjustment of such number in accordance with Section 11.

(c) Exercise Price. Each SAR Agreement shall specify the Exercise Price. A SAR Agreement may specify an Exercise Price that varies in accordance with a predetermined formula while the SAR is outstanding.

(d) Exercisability and Term. Each SAR Agreement shall specify the date when all or any installment of the SAR is to become exercisable. The SAR Agreement shall also specify the term of the SAR. A SAR Agreement may provide for accelerated exercisability in the event of the Optionee's death, disability or retirement or other events and may provide for expiration prior to the end of its term in the event of the termination of the Optionee's service. SARs may be awarded in combination with Options, and such an Award may provide that the SARs will not be exercisable unless the related Options are forfeited. A SAR may be included in an ISO only at the time of grant but may be included in an NSO at the time of grant or thereafter. A SAR granted under the Plan may provide that it will be exercisable only in the event of a Change in Control.

(e) Effect of Change in Control. The Committee may determine, at the time of granting a SAR or thereafter, that such SAR shall become fully exercisable as to all Common Shares subject to such SAR in the event that a Change in Control occurs with respect to the Company.

(f) Exercise of SARs. Upon exercise of a SAR, the Optionee (or any person having the right to exercise the SAR after his or her death) shall receive from the Company (a) Shares, (b) cash or (c) a combination of Shares and cash, as the Committee shall determine. The amount of cash and/or the Fair Market Value of Shares received upon exercise of SARs shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the Shares subject to the SARs exceeds the Exercise Price.

(g) Modification or Assumption of SARs. Within the limitations of the Plan, the Committee may modify, extend or assume outstanding SARs or may accept the cancellation of outstanding SARs (whether granted by the Company or by another issuer) in return for the grant of new SARs for the same or a different number of shares and at the same or a different exercise price. The foregoing notwithstanding, no modification of a SAR shall, without the consent of the holder, materially impair his or her rights or obligations under such SAR.

(h) Buyout Provisions. The Committee may at any time (a) offer to buy out for a payment in cash or cash equivalents a SAR previously granted, or (b) authorize an Optionee to elect to cash out a SAR previously granted, in either case at such time and based upon such terms and conditions as the Committee shall establish.

SECTION 10. STOCK UNITS

(a) Stock Unit Agreement. Each grant of Stock Units under the Plan shall be evidenced by a Stock Unit Agreement between the recipient and the Company. Such Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. The provisions of the various Stock Unit Agreements entered into under the Plan need not be identical. Stock Units may be granted in consideration of a reduction in the recipient's other compensation.

(b) Payment for Awards. To the extent that an Award is granted in the form of Stock Units, no cash consideration shall be required of the Award recipients.

(c) Vesting Conditions. Each Award of Stock Units may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Stock Unit Agreement. A Stock Unit Agreement may provide for accelerated vesting in the event of the Participant's death, disability or retirement or other events. The Committee may determine, at the time of granting Stock Units or thereafter, that all or part of such Stock Units shall become vested in the event that a Change in Control occurs with respect to the Company.

(d) Voting and Dividend Rights. The holders of Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend equivalents. Such right entitles the holder to be credited with an amount equal to all cash dividends paid on one Share while the Stock Unit is outstanding. Dividend equivalents may be converted into additional Stock Units. Settlement of dividend equivalents may be made in the form of cash, in the form of Shares, or in a combination of both. Prior to distribution, any dividend equivalents which are not paid shall be subject to the same conditions and restrictions (including without limitation, any forfeiture conditions) as the Stock Units to which they attach.

(e) Form and Time of Settlement of Stock Units. Settlement of vested Stock Units may be made in the form of (a) cash, (b) Shares or (c) any combination of both, as determined by the Committee. The actual number of Stock Units eligible for settlement may be larger or smaller than the number included in the original Award, based on predetermined performance factors. Methods of converting Stock Units into cash may include (without limitation) a method based on the average Fair Market Value of Shares over a series of trading days. Vested Stock Units may be settled in a lump sum or in installments. The distribution may occur or commence when all vesting conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred to any later date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until an Award of Stock Units is settled, the number of such Stock Units shall be subject to adjustment pursuant to Section 11.

(f) Death of Recipient. Any Stock Units Award that becomes payable after the recipient's death shall be distributed to the recipient's beneficiary or beneficiaries. Each recipient of a Stock Units Award under the Plan shall designate one or more beneficiaries for this purpose by filing the prescribed form with the Company. A beneficiary designation may be changed by filing the prescribed form with the Company at any time before the Award recipient's death. If no beneficiary was designated or if no designated beneficiary survives the Award recipient, then any Stock Units Award that becomes payable after the recipient's death shall be distributed to the recipient's estate.

(g) Creditors' Rights. A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Stock Unit Agreement.

SECTION 11. ADJUSTMENT OF SHARES

(a) Adjustments. In the event of a subdivision of the outstanding Stock, a declaration of a dividend payable in Shares, a declaration of a dividend payable in a form other than Shares in an amount that has a material effect on the price of Shares, a combination or consolidation of the outstanding Stock (by reclassification or otherwise) into a lesser number of Shares, a recapitalization, a spin-off or a similar occurrence, the Committee shall make equitable adjustments in one or more of:

- (i) The number of Options, SARs, Restricted Shares and Stock Units available for future Awards under Section 5;
- (ii) The number of Shares covered by each outstanding Option and SAR;
- (iv) The Exercise Price under each outstanding Option and SAR; or
- (v) The number of Stock Units included in any prior Award which has not yet been settled.

Except as provided in this Section 11, a Participant shall have no rights by reason of any issue by the Company of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class.

(b) Dissolution or Liquidation. To the extent not previously exercised or settled, Options, SARs and Stock Units shall terminate immediately prior to the dissolution or liquidation of the Company.

(c) Reorganizations. In the event that the Company is a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement shall provide for:

- (i) The continuation of the outstanding Awards by the Company, if the Company is a surviving corporation;
- (ii) The assumption of the outstanding Awards by the surviving corporation or its parent or subsidiary;
- (iii) The substitution by the surviving corporation or its parent or subsidiary of its own awards for the outstanding Awards;
- (iv) Full exercisability or vesting and accelerated expiration of the outstanding Awards; or
- (v) Settlement of the full value of the outstanding Awards in cash or cash equivalents followed by cancellation of such Awards.

(d) Reservation of Rights. Except as provided in this Section 11, an Optionee or Offeree shall have no rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend or any other increase or decrease in the number of shares of stock of any class. Any issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or Exercise Price of Shares subject to an Option. The grant of an Option pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, to merge or consolidate or to dissolve, liquidate, sell or transfer all or any part of its business or assets.

SECTION 12. DEFERRAL OF AWARDS

(a) Committee Powers. The Committee (in its sole discretion) may permit or require a Participant to:

- (i) Have cash that otherwise would be paid to such Participant as a result of the exercise of a SAR or the settlement of Stock Units credited to a deferred compensation account established for such Participant by the Committee as an entry on the Company's books;
- (ii) Have Shares that otherwise would be delivered to such Participant as a result of the exercise of an Option or SAR converted into an equal number of Stock Units; or

(iii) Have Shares that otherwise would be delivered to such Participant as a result of the exercise of an Option or SAR or the settlement of Stock Units converted into amounts credited to a deferred compensation account established for such Participant by the Committee as an entry on the Company's books. Such amounts shall be determined by reference to the Fair Market Value of such Shares as of the date when they otherwise would have been delivered to such Participant.

(b) General Rules. A deferred compensation account established under this Section 12 may be credited with interest or other forms of investment return, as determined by the Committee. A Participant for whom such an account is established shall have no rights other than those of a general creditor of the Company. Such an account shall represent an unfunded and unsecured obligation of the Company and shall be subject to the terms and conditions of the applicable agreement between such Participant and the Company. If the deferral or conversion of Awards is permitted or required, the Committee (in its sole discretion) may establish rules, procedures and forms pertaining to such Awards, including (without limitation) the settlement of deferred compensation accounts established under this Section 12.

SECTION 13. AWARDS UNDER OTHER PLANS

The Company may grant awards under other plans or programs. Such awards may be settled in the form of Shares issued under this Plan. Such Shares shall be treated for all purposes under the Plan like Shares issued in settlement of Stock Units and shall, when issued, reduce the number of Shares available under Section 5.

SECTION 14. PAYMENT OF DIRECTOR'S FEES IN SECURITIES

(a) Effective Date. No provision of this Section 14 shall be effective unless and until the Board has determined to implement such provision.

(b) Elections to Receive NSOs, Restricted Shares or Stock Units. An Outside Director may elect to receive his or her annual retainer payments and/or meeting fees from the Company in the form of cash, NSOs, Restricted Shares or Stock Units, or a combination thereof, as determined by the Board. Such NSOs, Restricted Shares and Stock Units shall be issued under the Plan. An election under this Section 14 shall be filed with the Company on the prescribed form.

(c) Number and Terms of NSOs, Restricted Shares or Stock Units. The number of NSOs, Restricted Shares or Stock Units to be granted to Outside Directors in lieu of annual retainers and meeting fees that would otherwise be paid in cash shall be calculated in a manner determined by the Board. The terms of such NSOs, Restricted Shares or Stock Units shall also be determined by the Board.

SECTION 15. LEGAL AND REGULATORY REQUIREMENTS

Shares shall not be issued under the Plan unless the issuance and delivery of such Shares complies with (or is exempt from) all applicable requirements of law, including (without limitation) the Securities Act of 1933, as amended, the rules and regulations promulgated thereunder, state securities laws and regulations and the regulations of any stock exchange on which the Company's securities may then be listed, and the Company has obtained the approval or favorable ruling from any governmental agency which the Company determines is necessary or advisable. The Company shall not be liable to a Participant or other persons as to: (a) the non-issuance or sale of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares under the Plan; and (b) any tax consequences expected, but not realized, by any Participant or other person due to the receipt, exercise or settlement of any Award granted under the Plan.

SECTION 16. WITHHOLDING TAXES

(a) General. To the extent required by applicable federal, state, local or foreign law, a Participant or his or her successor shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Company shall not be required to issue any Shares or make any cash payment under the Plan until such obligations are satisfied.

(b) Share Withholding. The Committee may permit a Participant to satisfy all or part of his or her withholding or income tax obligations by having the Company withhold all or a portion of any Shares that otherwise would be issued to him or her or by surrendering all or a portion of any Shares that he or she previously acquired. Such Shares shall be valued at their Fair Market Value on the date when taxes otherwise would be withheld in cash. In no event may a Participant have Shares withheld that would otherwise be issued to him or her in excess of the number necessary to satisfy the legally required minimum tax withholding.

SECTION 17. OTHER PROVISIONS APPLICABLE TO AWARDS

(a) Transferability. Unless the agreement evidencing an Award (or an amendment thereto authorized by the Committee) expressly provides otherwise, no Award granted under this Plan, nor any interest in such Award, may be sold, assigned, conveyed, gifted, pledged, hypothecated or otherwise transferred in any manner (prior to the vesting and lapse of any and all restrictions applicable to Shares issued under such Award), other than by will or the laws of descent and distribution; provided, however, that an ISO may be transferred or assigned only to the extent consistent with Section 422 of the Code. Any purported assignment, transfer or encumbrance in violation of this Section 17(a) shall be void and unenforceable against the Company.

(b) Qualifying Performance Criteria. The number of Shares or other benefits granted, issued, retainable and/or vested under an Award may be made subject to the attainment of performance goals for a specified period of time relating to one or more of the following performance criteria, either individually, alternatively or in any combination, applied to either the Company as a whole or to a business unit or Subsidiary, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group or index, in each case as specified by the Committee in the Award: (a) cash flow, (b) earnings per share, (c) earnings before interest, taxes and amortization, (d) return on equity, (e) total stockholder return, (f) share price performance, (g) return on capital, (h) return on assets or net assets, (i) revenue, (j) income or net income, (k) operating income or net operating income, (l) operating profit or net operating profit, (m) operating margin or profit margin, (n) return on operating revenue, (o) return on invested capital, or (p) market segment shares ("Qualifying Performance Criteria"). The Committee may appropriately adjust any evaluation of performance under a Qualifying Performance Criteria to exclude any of the following events that occurs during a performance period: (i) asset write-downs, (ii) litigation or claim judgments or settlements, (iii) the effect of changes in tax law, accounting principles or other such laws or provisions affecting reported results, (iv) accruals for reorganization and restructuring programs and (v) any extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in managements' discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year. If applicable, the Committee shall determine the Qualifying Performance Criteria not later than the 90th day of the performance period, and shall determine and certify, for each Participant, the extent to which the Qualifying Performance Criteria have been met. The Committee may not in any event increase the amount of compensation payable under the Plan upon the attainment of a Qualifying Performance Goal to a Participant who is a "covered employee" within the meaning of Section 162(m) of the Code.

SECTION 18. NO EMPLOYMENT RIGHTS

No provision of the Plan, nor any right or Option granted under the Plan, shall be construed to give any person any right to become, to be treated as, or to remain an Employee. The Company and its Subsidiaries reserve the right to terminate any person's Service at any time and for any reason, with or without notice.

SECTION 19. DURATION AND AMENDMENTS

(a) Term of the Plan. The Plan, as set forth herein, shall terminate automatically on July 27, 2020 and may be terminated on any earlier date pursuant to Subsection (b) below.

(b) Right to Amend or Terminate the Plan. The Board of Directors may amend or terminate the Plan at any time and from time to time. Rights and obligations under any Award granted before amendment of the Plan shall not be materially impaired by such amendment, except with consent of the Participant. An amendment of the Plan shall be subject to the approval of the Company's stockholders only to the extent required by applicable laws, regulations or rules.

(c) Effect of Termination. No Awards shall be granted under the Plan after the termination thereof. The termination of the Plan shall not affect Awards previously granted under the Plan.
