Check the appropriate box below if the Form 8-K filing is intended to simultaneously satisfy the filing obligation of the registrant under any of the following provisions (see General Instruction A.2. below):

- Written communications pursuant to Rule 425 under the Securities Act (17 CFR 230.425)
- Soliciting material pursuant to Rule 14a-12 under the Exchange Act (17 CFR 240.14a-12)
- Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act (17 CFR 240.14d-2(b))
- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Securities registered pursuant to Section 12(b) of the Act:

Title of each class	Trading symbol(s)	Name of each exchange on which registered
Common Stock	SNOA	The Nasdaq Stock Market LLC

Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (17 CFR §230.405) or Rule 12b-2 of the Securities Exchange Act of 1934 (17 CFR §240.12b-2). Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 7.01 Regulation FD Disclosure.

Attached is the updated investor presentation for certain virtual investor conferences on January 10-13, 2022. The presentation materials are furnished hereto as Exhibit 99.1.

This report contains forward-looking statements. Forward-looking statements include, but are not limited to, statements that express our intentions, beliefs, expectations, strategies, predictions or any other statements related to our future activities or future events or conditions. These statements are based on current expectations, estimates and projections about our business based, in part, on assumptions made by management. These statements are not guarantees of future performances and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed or forecasted in the forward-looking statements due to numerous factors, including those risks discussed in our annual report on Form 10-K and in other documents that we file from time to time with the SEC. Any forward-looking statements speak only as of the date on which they are made, and we do not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of this report, except as required by law.

Item 9.01 Financial Statements and Exhibits.

<u>Exhibit No.</u>	<u>Description</u>
99.1†	Investor presentation as of January 10, 2022.
104	The cover page from this Current Report on Form 8-K, formatted in Inline XBRL.

† The information filed as Exhibit 99.1 to this Current Report on Form 8-K is being furnished in accordance with Item 7.01 and shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities imposed by that Section. Such information shall not be incorporated by reference into any registration statement or other document or filing under the Securities Act of 1933, as amended, except as may be expressly set forth in a specific filing.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Date: January 6, 2022

INVESTOR PRESENTATION

This communication is for informational purposes only. The information contained herein does not purport to be all-inclusive. The data contained herein is derived from various internal and external sources. No representation is made as to the reasonableness of the assumptions made within or the accuracy or completeness of any information contained herein. Any data on past performance is no indication as to future performance. Sonoma Pharmaceuticals, Inc. and its subsidiaries ("Sonoma" or, the "Company") assumes no obligation to update the information in this communication. This presentation is not an offer to buy or the solicitation of an offer to sell Sonoma securities.

FORWARD-LOOKING STATEMENTS

Except for historical information herein, matters set forth in this presentation are forward-looking within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, including statements about the commercial and technology progress and future financial performance of Sonoma Pharmaceuticals, Inc. and its subsidiaries.

These forward-looking statements are identified by the use of words such as "believe," "achieve," and "strive," among others. Forward-looking statements in this presentation are subject to certain risks and uncertainties inherent in the Company's business that could cause actual results to vary, including such risks that regulatory clinical and guideline developments may change, scientific data may not be sufficient to meet regulatory standards or receipt of required regulatory clearances or approvals, clinical results may not be replicated in actual patient settings, the Company will not have sufficient capital to implement its business plan, invalidated or circumvented by its competitors, the available market for the Company's products will not be as large as expected, the Company's products will not be able to penetrate one or more targeted markets, revenues will not be sufficient to fund further development and clinical studies, as well as uncertainties relative to varying product formulations and a multitude of diverse regulatory and marketing requirements in different countries and municipalities, and other risks detailed from time to time in the Company's filings with the Securities and Exchange Commission. The Company disclaims any obligation to update these forward-looking statements, except as required by law.

Legal Disclaimers

NON-GAAP FINANCIAL MEASURES

Non-GAAP income (loss) from operations minus non-cash expenses (EBITDAS) is a non-GAAP financial measure. The Company defines operating income (loss) minus non-cash expenses as GAAP reported operating income (loss) minus operating depreciation and amortization, and operating stock-based compensation. The Company uses this measure for the purpose of modifying the operating income (loss) to reflect direct cash related transactions during the measurement period.

TRADEMARKS AND INTELLECTUAL PROPERTY

All trademarks, service marks, and trade names of the Company and its subsidiaries or affiliates used herein are trademarks, service marks, or registered trademarks of the Company as noted herein. Any other product, company names, or logos mentioned herein are the trademarks and/or intellectual property of their respective owners.

About Sonoma

Sonoma Pharmaceuticals is a global healthcare leader for developing and producing stabilized hypochlorous acid (HOCl) products for a wide range of applications, including wound care, animal health care, eye care, nasal care, oral care and dermatological conditions. The company's products reduce infections, itch, pain, scarring and harmful inflammatory responses in a safe and effective manner. In-vitro and clinical studies of HOCl show it to have impressive antipruritic, antimicrobial, antiviral and anti-inflammatory properties. Sonoma's stabilized HOCl immediately relieves itch and pain, kills pathogens and breaks down biofilm, does not sting or irritate skin and oxygenates the cells in the area treated assisting the body in its natural healing process. Sonoma also manufactures disinfectants that are distributed outside of the U.S. and in certain countries where it has received regulatory clearance to state the disinfectant kills the coronavirus causing COVID-19. The company's products are sold either directly or via partners in 54 countries worldwide and the company actively seeks new distribution partners.

Investor Highlights

Diverse global healthcare leader

- Focused on billion-dollar Rx and OTC wound care, dermatology, eye, oral and nasal care, disinfectant use and animal health markets
- Over 20 years of experience
- Robust international partner network
- Focused on expanding U.S. partner network
- Strong manufacturing capabilities

Unique, patented and FDA-cleared, CE and ISO approved Microcyn® Technology

- HOCl is known to be among the safest and most effective ways to relieve itch, inflammation, and burns while stimulating natural healing through increased oxygenation and eliminating persistent microorganisms and biofilms
- Proven antipruritic, antimicrobial, antiviral and anti-inflammatory properties
- Disinfectant approved in Australia and Canada for use against COVID-19
- Currently selling into 54 countries

Key Opportunities

- Expand OTC reach in U.S. in the dermatology, eye, oral and nasal care, disinfectants and wound care markets
- Fully commercialize existing products via distribution partners or directly
- 21 U.S. FDA clearances as medical devices for Section 510(k)
- CEs for over 39 products
- Expand presence in the dental market
- Continue to add international distribution partners; grow existing relationships
- Robust product pipeline; continue to introduce new products worldwide
- Continuous R&D efforts explore new product applications
- Expand disinfectant sales globally

Recent Business Developments

- Partnered with EMC Pharma, LLC for exclusive distribution into prescription-based dermatology, eye, oral and nasal care products in the U.S. in March 2021.
- Launched completely revamped website at www.sonomapharma.com in July 2021. The new website highlights the global reach of Sonoma's products and partners as well as its diverse product portfolio.
- Expanded dental offerings in the U.S., by offering second product OroGenix Oral Hygiene Rinse with partner Gabriel Science, LLC, also available in Switzerland under the name Microdacyn60® Oral Care in August 2021.
- Offered three new products with our animal health partner Manna Pro for cats, available at PetSmart.
- Received approval by the Australian TGA for 15 second kill time for SARS-CoV-2 with our partner MicroSafe Group for Nanocyn® Disinfectant & Sanitizer in October 2021.
- Expanded long-term partnership and territories and products with Dyamed Biotech Pte Ltd. in Southeast Asia in November 2021.

Sonoma's Microcyn Technology

- Stable triple-action topical technology
 - A powerful anti-microbial - reduces microbial load, including destruction of biofilms
 - Anti-inflammatory agent – reduces itch and pain
 - Anti-pruritic activity
 - Tissue healing (increased blood/oxygen flow to wound)
- Unparalleled safety – No drug-to-drug interaction or contraindications
 - Millions of patients treated worldwide without single report of serious adverse effect
 - 30+ human clinical trials with over 1,500 patients
- No mutations or resistance
 - Overused antibiotics may cause deadly epidemics such as MRSA
- Cost effective
 - Preventative – reduces hospital/physician visits
 - Medicare/hospital savings – faster healing reduces hospital stays

What is Hypochlorous Acid?

During the activation of neutrophils, respiratory bursts generate hydrogen peroxide (H_2O_2) and the activated granule enzyme myeloperoxidase converts H_2O_2 to hypochlorous acid (HOCl)

- Hypochlorous acid (HOCl) is produced by neutrophils in the body as part of its defense mechanism
- HOCl, is highly active against bacterial, viral, and fungal pathogens.
- HOCl has been shown to rapidly kill spore-forming and non-spore forming bacteria
- HOCl has also been shown to have significant activity against biofilms

U.S. Summary

- FDA-cleared products targeting:
 - atopic dermatitis, dermal lesions
 - scar management,
 - pain and itch relief and other dermatological conditions
 - eyelid and eyelash hygiene
 - acute and chronic wound care
 - oral care (dental surgery)
- Ability to partner for OTC, Rx, and private labels
- Relocating manufacturing to Mexico resulted in reduced COGs opening price-sensitive channels and opportunities for volume plays
- Established and growing animal healthcare line of products
- Change in business strategy has led to expanded U.S. business development targeting increasing relationships with U.S. distributors
- Reduced focus on direct sales / Expanding into digital sales

Animal Health Care

- MicrocynAH® is a family of advanced animal healthcare products that are safe to use on all animals, no matter the species or age
- Perfect for hot spots, scratches, skin rashes and ulcers, cuts, burns, post-surgical sites, irritated skin and lacerations.
- We partner with Manna Pro, LLC in the U.S. and Canada
- Sold in national pet-store retail chains, farm animal specialty stores, at veterinarians, and mass retailers
- Internationally, we partner with Petagon, Ltd. for the Asia and European markets

Sonoma Partnership Principles

- Sonoma seeks long-term strategic partnerships, based on win/win business plans; 50/50 mentality with focus on what's most important to each side.
- Regular in-person and phone meetings to strengthen relationships.
- "Do what you say and say what you do" mentality with a high standard of ethical behavior and transparent communication. No hidden agendas.
- Sonoma seeks partners with innovative and differentiated technologies or products and strong distribution capabilities. Focus on profitable revenue growth consistent with current portfolio.
