## Questions and Answers

---

### 1. What is a proxy statement, what is a proxy and how does it work?

A proxy statement is a document that the U.S. Securities and Exchange Commission requires us to give you when we ask you to sign a proxy card designating someone other than you to vote the stock you own. The written document you sign indicating who may vote your shares of common stock is called a proxy card and the person you designate to vote your shares is called a proxy. The Board of Directors is asking to act as your proxy. By signing and returning to us the proxy card enclosed you are designating us as your proxy to cast your votes at the Annual Meeting. We will cast your votes as you indicate on the enclosed proxy card.

Our employees, officers, and directors may solicit proxies. We will bear the cost of soliciting proxies and will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable, out-of-pocket expenses for forwarding proxy and solicitation material to the owners of our common stock.

### 2. Who is entitled to vote at the Annual Meeting of Stockholders?

Only stockholders who were Sonoma Pharmaceuticals, Inc. stockholders of record at the close of business on July 24, 2026, or the *Record Date*, may vote at the 2026 Annual Meeting. As of the close of business on the Record Date, there were 4,788,425 shares of our common stock outstanding. Each stockholder is entitled to one vote for each share of our common stock held as of the Record Date.

### 3. What is the difference between a stockholder of record and a beneficial owner?

If your shares are registered directly in your name with Sonoma's transfer agent, Computershare, Inc., you are considered, with respect to those shares, a *stockholder of record*. As a shareholder of record, you will receive a notice regarding the availability of the Proxy Statement, Annual Report, and proxy card directly from us.

If your shares are held in a brokerage account or by a bank or other nominee, you are considered a *beneficial owner* of your shares. As a beneficial owner, you will receive a notice regarding the availability of the Proxy Statement, Annual Report, and voting instruction form forwarded to you by your broker, bank, or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank, or nominee how to vote your shares by using the voting instruction form included in the mailing. If you do not give instructions to your bank or brokerage firm, it will nevertheless be entitled to vote your shares with respect to "routine" items, but will not be permitted to vote your shares with respect to "non-routine" items. In the case of a non-routine item, your shares will be considered "broker non-votes" on that proposal.

### 4. What does it mean if I receive more than one proxy card?

If you hold your shares in multiple registrations, or in both registered and street name, you will receive a proxy card for each account. Please mark, sign, date, and return each proxy card you receive. If you choose to vote by telephone or Internet, please vote each proxy card you receive.

### 5. Will there be any other items of business on the agenda?

We do not expect any other items of business because the deadline for stockholder proposals and nominations has already passed. Nonetheless, in case there is an unforeseen need, the accompanying proxy gives discretionary authority to the persons named on the proxy with respect to any other matters that might be brought before the meeting. Those persons intend to vote that proxy in accordance with their best judgment.

## 6. How will my shares be voted?

To designate how you would like to vote, fill out the proxy card indicating how you would like your votes cast. If you sign and return the enclosed proxy, but do not specify how to vote, we will vote your shares as follows:

- “FOR” Proposal No. 1 to elect one Class III director nominee, Mr. Jerry McLaughlin;
- “FOR” Proposal No. 2, the Say-on-Pay Proposal, to approve on a non-binding advisory basis, the compensation paid to our Named Executive Officers for the fiscal year ended March 31, 2026;
- “FOR” Proposal No. 3, to ratify the appointment of Frazier & Deeter, LLC as our independent auditors for the fiscal year ending March 31, 2027; and
- “FOR” Proposal No. 4, to authorize the adjournment of the meeting to permit further solicitation of proxies, if necessary or appropriate, if sufficient votes are not represented at the meeting to approve any of the foregoing proposals.

## 7. Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you submitted your proxy by mail, you must file with our Secretary, at Sonoma Pharmaceuticals, Inc., 5445 Conestoga Court, Suite 150, Boulder, CO 80301, a written notice of revocation or deliver a valid, later-dated proxy. If you submitted your proxy by telephone or the Internet, you may change your vote or revoke your proxy with a later telephone or Internet proxy, as the case may be. **Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.**

## 8. What is a broker non-vote and what is the impact of not voting?

A broker “non-vote” occurs when a bank, broker, or nominee holding shares of common stock for a beneficial owner does not vote on one or more proposals because the nominee does not have discretionary voting power on that matter, which is also referred to as holding shares in street name. Your bank or broker does not have discretion to vote uninstructed shares the proposals in this Proxy Statement except for Proposals 3 and 4. As a result, if you hold your shares in street name, it is critical that you provide instructions to your bank or broker, if you want your vote to count in the election of directors or the advisory vote related to executive compensation. If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

## 9. What constitutes a quorum?

A quorum is the minimum number of stockholders necessary to conduct the Annual Meeting. The presence at the Annual Meeting, in person or by proxy, of the holders of at least one-third of common stock outstanding on the Record Date will constitute a quorum. As of the close of business on the Record Date, there were 4,788,425 shares of our common stock outstanding. Votes “for” and “against,” “abstentions,” and broker “non-votes” will all be counted as present to determine whether a quorum has been established.

## 10. Is cumulative voting permitted for the election of directors?

No, each stockholder may vote only the number of shares he or she owns for a single director candidate.

## 11. What is the vote required for a proposal to pass?

**Proposal No. 1—Election of Directors:** The affirmative vote of a plurality of the votes cast of the shares of common stock present or represented and entitled to vote at the Annual Meeting, in person or by proxy, is required for the election of a nominee. Thus, assuming a quorum is present at the Annual Meeting, the nominee who receives the most affirmative votes will be elected as a Class III director. Abstentions and broker “non-votes” will not have any effect on the voting outcome with respect to the election of directors.

**Proposal No. 2—Say-on-Pay:** Because this proposal asks for a non-binding, advisory vote, there is no required vote that would constitute approval. We value the opinions expressed by our stockholders in this advisory vote, and our Compensation Committee, which is responsible for overseeing and administering our executive compensation programs, will consider the outcome of the vote when designing our compensation programs and making future compensation decisions for our Named Executive Officers. Abstentions and broker “non-votes,” if any, will not have any impact on this advisory vote.

**Proposal No. 3—Ratification of Independent Registered Public Accounting Firm:** The affirmative vote of a majority of the votes present at the Annual Meeting and entitled to vote, in person or by proxy, is required to ratify our selection of Frazier & Deeter, LLC as our independent registered public accounting firm for the fiscal year ending March 31, 2027. Abstentions will have the practical effect of a vote to not ratify our selection. Because we believe that Proposal No. 4 is a routine proposal on which a broker or other nominee is generally empowered to vote, broker “non-votes” likely will not result from this proposal. If you are a beneficial owner holding shares through a broker, bank, or other nominee and you do not instruct your broker or bank, your broker or bank may cast a vote on your behalf for this proposal.

**Proposal No. 4—Adjournment to Solicit Additional Proxies:** The affirmative vote of a majority of the votes present at the Annual Meeting and entitled to vote, in person or by proxy, is required to adjourn the Annual Meeting, if necessary, until a quorum is present or represented.

## Governance

### Proposal No. 1 – Election of Directors

Upon the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors has nominated Mr. Jerry McLaughlin for election at the 2026 Annual Meeting. The Board believes that the nominee's knowledge, skills, and abilities would positively contribute to the function of the Board as a whole. Accordingly, your proxy holder will vote your shares **FOR** the election of the Board's nominee named below unless you instruct otherwise.

#### Directors and Nominees

At our 2008 Annual Meeting of Stockholders, our stockholders approved an amendment to our Restated Certificate of Incorporation, as amended, which provided that directors are classified into three classes, as nearly equal in number as possible, with each class serving for a staggered three-year term. Our Board currently consists of four directors:

|                  | Name                   | Position with the Company | Director Since | Term Expires |
|------------------|------------------------|---------------------------|----------------|--------------|
| <b>Class I</b>   |                        |                           |                |              |
|                  | Philippe Weigerstorfer | Class I Director          | 2018           | 2027         |
|                  | Amy Trombly            | Class I Director          | 2022           | 2027         |
| <b>Class II</b>  |                        |                           |                |              |
|                  | Vanessa Jacoby         | Class II Director         | 2026           | 2028         |
| <b>Class III</b> |                        |                           |                |              |
|                  | Jerry McLaughlin       | Class III Director        | 2013           | 2026         |

With regard to the election of directors, votes may be cast "FOR" or "WITHHOLD." Provided that a quorum is present, the affirmative vote by the holders of a plurality of the shares of common stock present and voting at the Annual Meeting is required to elect a nominee for director.

#### What am I voting on and what is the required vote?

Stockholders are being asked to elect one Class III director for a three-year term. The nominee is currently a director of Sonoma. Biographical and related information about all directors, including Mr. McLaughlin, who is the nominee for this year's election, is set forth below. Although the Board expects that the nominee will be available to serve as a director, if they should be unwilling or unable to serve, the Board may decrease the size of the Board or may designate substitute nominees and the proxies will be voted on such substitute nominee. The affirmative vote of a plurality of the votes cast of the shares of common stock present or represented and entitled to vote at the Annual Meeting, in person or by proxy, is required for the election of a nominee.

Your Board of Directors recommends a vote **FOR** the election of the director nominee, Jerry McLaughlin.

## Board Meetings

---

Our Board of Directors held 7 meetings in fiscal year 2026 and, in addition, took action from time to time by unanimous written consent. In fiscal year 2024, no incumbent director attended fewer than 75% of the total number of Board meetings (held during the period for which such director served) and all directors attended all of the meetings. The independent directors met regularly in executive sessions without the participation of the Chief Executive Officer or the other members of management. We do not have a policy that requires the attendance of directors at our Annual Meetings of Stockholders. Ms. Trombly attended the 2025 Annual Meeting of Stockholders.

## Committees of the Board of Directors

---

Our Board of Directors has appointed an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. The Board of Directors has determined that each director who serves on these committees is “independent,” as that term is defined by the Nasdaq Listing Rules and rules of the SEC. The Board of Directors has adopted written charters for its Audit Committee, its Compensation Committee, and its Nominating and Corporate Governance Committee. Copies of these charters are available on our website at <http://ir.sonomapharma.com/governance-docs>. In addition to the number of meetings referenced below, the Committees also took actions by unanimous written consent.

Information about each of our committees is stated below.

## Director Independence and Related Person Transactions

---

### Independent Directors

---

**Standard for Independence**—We determine independence using the definitions set forth in the Nasdaq Listing Rules and the rules under the Securities Exchange Act of 1934. These definitions define independence based on whether the director or a family member of the director has been employed by the Company in the past three years, how much compensation the director or family member of a director received from the Company, how much stock the director or a family member of the director owns in the Company, and whether the director or a family member of the director is associated with the Company’s independent auditor.

The Board has determined that the following directors are independent:

- Vanessa Jacoby;
- Jerry McLaughlin; and
- Philippe Weigerstorfer.

### Related Person Transactions

---

It is our policy that all employees, officers and directors must avoid any activity that is, or has the appearance of, conflicting with the interests of our Company. This policy is included in our Code of Business Conduct, and our Board formally adopted a Related Party Transaction Policy and Procedures in July 2007 for the approval of interested transactions with persons who are Board members or nominees, executive officers, holders of 5% of our common stock, or family members of any of the foregoing. The Related Party Transaction Policy and Procedures are administered by our Audit Committee. We conduct a review of all related party transactions for potential conflict of interest situations on an ongoing basis and all such transactions relating to executive officers and directors must be approved by the Audit Committee.

Since April 1, 2023, there has not been any transaction, nor is there any proposed transaction, in which the Company was a participant, and in which a “related party” of the Company had or is expected to have a direct or indirect material interest, in which the amount involved exceeded \$120,000.

### Arrangements or Understandings between our Executive Officers or Directors and Others

There are no arrangements or understandings between our executive officers or directors and any other person pursuant to which he was or is to be selected as a director or officer.

## Information about Corporate Governance

---

On October 26, 2017, our Board adopted corporate governance standards to provide a structure within which directors and management effectively pursue the Company’s objectives for the benefit of the Company’s stockholders. These standards set out the principal functions of the Board, its structure and composition, operations, interaction with third parties and committees as well as management’s responsibilities. A copy of the corporate governance guidelines is available on our website at <http://ir.sonomapharma.com/governance-docs>.

## **Board Leadership Structure**

---

Since February 1, 2013, we have had separate individuals serving as Chairman of the Board of Directors and our Principal Executive Officer. Ms. Trombly was appointed as our Chief Executive Officer on September 27, 2019. The Board appointed Mr. Jerry McLaughlin to serve as the Lead Independent Director effective March 26, 2014. As Chief Executive Officer, Ms. Trombly manages the day-to-day affairs of the Company and, as Lead Independent Director, Mr. McLaughlin leads the Board meetings and leads the Board in overseeing management. On July 22, 2022, Ms. Trombly was appointed to serve as a member of the Board of Directors.

The Board believes that this structure is currently serving our Company well, and intends to maintain it where appropriate and practicable in the future. We have had varying board leadership models over our history, at times separating the positions of Chairman and Chief Executive Officer and at times combining the two. The Board believes that the right structure should be informed by the needs and circumstances of our Company, the Board, and our stockholders, and we believe having an independent director lead the Board best serves these interests.

## **Risk Oversight Management**

---

The Board of Directors takes an active role, as a whole, and at the committee level, in overseeing management regarding our Company's risks. Our management keeps the Board of Directors apprised of significant risks facing our Company and the approach being taken to understand, manage, and mitigate such risks. Specifically, strategic risks are overseen by the full Board of Directors; financial risks are overseen by the Audit Committee; risks relating to compensation plans and arrangements are overseen by the Compensation Committee; risks associated with director independence and potential conflicts of interest are overseen by the Audit Committee or the full Board of Directors. The Board has created in the past and plans to, when necessary in the future, create a Special Transaction Committee to review potential or actual conflicts of interest. Additional review or reporting on enterprise risks is conducted as needed, or as requested by the full Board of Directors, or the appropriate committee.

## **Director Nominations**

---

The Board of Directors nominates directors for election at each Annual Meeting of Stockholders and appoints new directors to fill vacancies when they arise. The Nominating and Corporate Governance Committee has the responsibility to identify, evaluate, recruit, and recommend qualified candidates to the Board of Directors for nomination or election.

One of the Board of Directors' objectives in evaluating director nominations is to ensure that its membership is composed of experienced and dedicated individuals with a diversity of backgrounds, perspectives, and skills. The Nominating and Corporate Governance Committee will select nominees for director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all stockholders. We do not have a formal diversity policy. However, the Nominating and Corporate Governance Committee endeavors to have a Board representing diverse viewpoints as well as diverse expertise at policy-making levels in many areas, including business, accounting and finance, healthcare, manufacturing, marketing and sales, education, legal, government affairs, regulatory affairs, research and development, business development, international aspects of our business, technology, and in other areas that are relevant to our activities.

The Nominating and Corporate Governance Committee believes that nominees for director should have experience, such as those mentioned above, that may be useful to Sonoma and the Board of Directors, high personal and professional ethics, and the willingness and ability to devote sufficient time to carry out effectively their duties as directors. The Nominating and Corporate Governance Committee believes it appropriate for at least one, and, preferably, multiple, members of the Board of Directors to meet the criteria for an “audit committee financial expert” as defined by rules of the SEC, and for a majority of the members of the Board of Directors to meet the definition of “independent director” as defined by the Nasdaq Listing Rules. The Nominating and Corporate Governance Committee also believes it appropriate for key members of our management to participate as members of the Board of Directors. Prior to each Annual Meeting of Stockholders, the Nominating and Corporate Governance Committee identifies nominees first by evaluating the current directors whose term will expire at the Annual Meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate’s prior service as a director, and the needs of the Board of Directors with respect to the particular talents and experience of its directors. In the event that a director does not wish to continue in service, the Nominating and Corporate Governance Committee determines not to re-nominate the director, or if a vacancy is created on the Board of Directors as a result of a resignation, an increase in the size of the Board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board members, by any executive search firm engaged by the Committee or by stockholders. The Committee recommended the nominees for election included in this Proxy Statement. A stockholder who wishes to suggest a prospective nominee for the Board of Directors should notify Sonoma’s Secretary, or any member of the Committee in writing, and include any supporting material the stockholder considers appropriate. In addition, our Bylaws contain provisions addressing the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at our Annual Meeting of Stockholders. In order to nominate a candidate for director, a stockholder must give timely notice in writing to Sonoma’s Secretary and otherwise comply with the provisions of our Bylaws. To be timely, our Bylaws provide that we must have received the stockholder’s notice not earlier than 90 days nor more than 120 days in advance of the one-year anniversary of the date the Proxy Statement was released to the stockholders in connection with the previous year’s Annual Meeting of Stockholders; however, if we have not held an Annual Meeting in the previous year or the date of the Annual Meeting is changed by more than 30 days from the date contemplated at the time of the mailing of the prior year’s Proxy Statement, we must have received the stockholder’s notice not later than the close of business on the later of the 90th day prior to the Annual Meeting or the seventh day following the first public announcement of the Annual Meeting date. Information required by the Bylaws to be in the notice includes the name and contact information for the candidate, the name and contact information of the person making the nomination, and other information about the nominee that must be disclosed in proxy solicitations under Section 14 of the Securities Exchange Act of 1934 and the related rules and regulations under that Section.

Stockholder nominations must be made in accordance with the procedures outlined in, and must include the information required by, our Bylaws and must be addressed to: Secretary, Sonoma Pharmaceuticals, Inc., 5445 Conestoga Court, Suite 150, Boulder, Colorado 80301. You can obtain a copy of our Bylaws by writing to the Secretary at this address.

#### **Stockholder Communications with the Board of Directors**

Please include your name and address in the written communication and indicate whether you are a stockholder of Sonoma. The Code of Business Conduct and Ethics sets forth the basic principles that guide the business conduct of our employees. A current copy of the code is on our website at <http://ir.sonomapharma.com/governance-docs>.

We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions on our website to the extent required by applicable rules and exchange requirements. We also reimburse our non-employee directors for reasonable expenses in connection with attendance at Board and committee meetings.

In addition to the annual retainers, non-employee directors are also eligible to receive an annual grant of options to purchase shares of common stock. The annual grant is made in or around January of each year together with the employee annual grant. No annual grant shall be granted to any non-employee director in the same calendar year that such person received his or her initial grant.

Each newly elected or appointed non-employee director will receive our initial equity grant, in such form and amount as determined by the Board of Directors, upon his or her election to the Board of Directors. The initial grant will vest in three equal installments over a period of three years, on the first, second, and third anniversary of the grant.

In the interest of good corporate governance and to further align the interests of members of the Board of Directors with the Company's stockholders, the Nominating and Corporate Governance Committee of the Board of Directors has adopted stock ownership guidelines for directors. Under these guidelines, if a director exercises a stock option, it is expected that such director would, from such date of option exercise, maintain ownership of at least a number of shares equal to twenty percent of the net value of the shares acquired (after deducting the exercise price and taxes). In the case of shares acquired upon the exercise of a stock option, each director is expected to hold such shares for nine months after termination of his or her service on the Board of Directors.

## Named Executive Officers

---

This Proxy Statement contains information about the compensation paid to our Named Executive Officers, as defined by Item 402(m)(2) of Regulation S-K, during our fiscal year ended March 31, 2026, or fiscal year 2026. For fiscal year 2026, in accordance with the rules and regulations of the Securities and Exchange Commission for smaller reporting companies, we determined that the following officers were our Named Executive Officers:

- Amy Trombly, Chief Executive Officer;
- Jerry Dvonch, Chief Financial Officer; and
- Bruce Thornton, former Executive Vice President and Chief Operating Officer.

## Compensation Overview

---

We qualify as a “smaller reporting company” under the rules promulgated by the Securities and Exchange Commission, and we have elected to comply with the disclosure requirements applicable to smaller reporting companies. Accordingly, this executive compensation summary is not intended to meet the “Compensation Discussion and Analysis” disclosure required of larger reporting companies.

### Role of the Compensation Committee

---

The Compensation Committee’s primary functions are to assist the Board of Directors in meeting its responsibilities with regard to oversight and determination of executive compensation and to review and make recommendations with respect to our major compensation plans, policies, and programs. All compensation for our executive officers is determined by the Compensation Committee of our Board of Directors, which is composed only of independent directors. The Compensation Committee is charged with the responsibility of setting performance targets under the executive bonus plan, reviewing their performance, and establishing the total compensation of our executive officers on an annual basis. The Compensation Committee often discusses compensation matters as part of regularly scheduled Board and committee meetings. The Compensation Committee administers our 2016 Equity Incentive Plan, our 2021 Equity Incentive Plan and our 2024 Equity Incentive Plan and is responsible for approving grants of equity awards under such plans. The Compensation Committee acts under the authority of a written charter, which is available on our website at <http://ir.sonomapharma.com/governance-docs>.

### Compensation Philosophy and Objectives

Our compensation philosophy for our Named Executive Officers is the same as for all our employees and is governed by the following principles. The Compensation Committee’s compensation objectives are to:

- attract and retain highly qualified individuals with a demonstrated record of achievement;
- reward past performance;
- provide appropriate incentives for future performance; and
- align the interests of our executive officers with the interests of the stockholders.

To achieve this, we currently offer a competitive total compensation package consisting of: base salary; annual equity program; annual performance bonuses; and employee benefits, including group life insurance, health and dental care insurance; and certain other perquisites.

The Compensation Committee considers, with respect to each of our executive officers, the total compensation that may be awarded, including base salary, annual incentive compensation, long-term incentive compensation, and other benefits, such as discretionary cash bonuses, perquisites and other personal benefits available to each executive officer or that may be received by such executive officer under certain circumstances, including compensation payable upon termination of the executive officer under an employment agreement or severance agreement (if applicable) to determine final compensation. The Compensation Committee's overall goal is to award compensation that is reasonable when all elements of potential compensation are considered. The Compensation Committee believes that cash compensation in the form of base salary and an annual incentive bonus provides the executives with short-term rewards for success in operations, and that long-term compensation through the award of stock options, and other equity awards aligns the objectives of management with those of our stockholders with respect to long-term performance and success.

The Compensation Committee also has historically focused on our financial and working capital condition when making compensation decisions and approving performance objectives. Because the Company has historically sought to preserve cash and currently does not operate at a profit, overall compensation traditionally has been weighted more heavily toward equity-based compensation. The Compensation Committee will continue to periodically reassess the appropriate weighting of cash and equity compensation in light of the Company's expenditures in connection with commercial operations and its working capital needs.

---

### **Compensation Structure**

---

Our executive compensation program consists of the following forms of compensation:

- Base Salary;
- Annual Equity Program;
- Annual Performance Bonus; and
- Employee Benefit Program.

**1. Base Salary:** The Compensation Committee believes it is important to provide adequate fixed compensation to our executive officers. The Compensation Committee believes base salaries should be at the appropriate cash compensation level that will allow us to attract and retain highly skilled executives. In determining appropriate base salary levels for a given executive officer, the Compensation Committee considers the following factors:

- individual performance of the executive, as well as overall performance, during the prior year;
- level of responsibility, including breadth, scope and complexity of the position;
- level of experience and expertise of the executive;
- internal review of the executive's compensation relative to other executives to ensure internal equity; and
- executive officer compensation levels at other similar companies to ensure competitiveness.

Salaries for executive officers are determined on an individual basis at the time of hire. Adjustments to base salary are considered annually in light of each executive officer's individual performance, the Company's performance, and compensation levels at peer companies in our industry, as well as changes in job responsibilities or promotion.

**2. Annual Equity Program:** As an additional component of our compensation program, the Compensation Committee may grant to our executive officers' equity compensation in the form of stock options, restricted stock units, or shares of common stock with or without vesting schedule. The goal of the annual equity program is to align the interests of our executive officers with those of our stockholders, especially in the long-term. The stock options are designed to create an incentive for the executive officers to maximize stockholder value and to remain employed with the Company despite a competitive labor market.

Equity may be granted once annually to existing employees, including executive officers, and upon a new hire or promotion, and could be subject to vesting over time, qualified on the individual's continued employment. The target date to issue equity is at the beginning of a new calendar year. The exercise price of the stock options will equal the closing price of our common stock published by Nasdaq on the date of the grant and the term of the options will be 10 years from the date of the grant. The Compensation Committee will review the annual equity program annually.

The Compensation Committee has sole discretion with respect to the tax treatment for equity awards and may decide, among others, to facilitate the sale of a sufficient number of the granted shares to cover taxes, or to require employees to be responsible for their own taxes.

**3. Performance Bonus Plan:** Our performance bonus plan is described in further detail below in the section entitled “*Annual Performance Bonus Plan.*”

**4. Employee Benefit Program:** Executive officers are eligible to participate in all of our available employee benefit plans, including medical, dental, vision, group life, disability, and tax-qualified retirement savings plans, such as 401(k), in each case on the same basis as other employees, subject to applicable law. We also provide vacation and other paid holidays to all employees, including executive officers, all of which the Compensation Committee believes to be comparable to those provided at peer companies. These benefit programs are designed to enable us to attract and retain workforce in a competitive marketplace. Health, welfare, and vacation benefits ensure that we have a productive and focused workforce through reliable and competitive health and other benefits.

We believe our approach to goal setting, setting of targets with payouts at multiple levels of performance, and evaluation of performance results assist in mitigating excessive risk-taking that could harm our value or reward poor judgment by our executive officers.

## **Employment Agreements and Potential Payments upon Termination**

### **Employment Agreement with Ms. Trombly**

Effective October 3, 2025, we entered into an amended and restated employment agreement with our Chief Executive Officer, Amy Trombly.

We agreed to pay Ms. Trombly a base salary of \$475,000 per annum, and to provide our standard medical, dental and vacation benefits. Ms. Trombly will be eligible to receive a target annual bonus of 50% of her base salary, which shall be in the discretion of the Compensation Committee. She is also eligible for annual equity grants in the sole discretion of the Compensation Committee.

The employment agreement provides Ms. Trombly with certain separation benefits in the event of termination without cause, for good reason or change of control, as such terms are defined in the employment agreement. In the event Ms. Trombly is terminated without cause, or for good reason or upon change of control, she is entitled to:

- a severance payment equal to one time her base salary, which shall be paid in accordance with regular payroll, or in the event of termination upon change of control either without cause or for good reason, a lump sum severance equal to two times her base salary;
- upon termination without cause or for good reason a pro-rata bonus, upon determination by the Corporation's Board of Directors or Compensation Committee, as appropriate, to be made in its sole discretion, and two times her target annual bonus upon termination upon change of control.
- automatic vesting of all unvested time-based options and equity awards;
- vesting of performance-based equity compensation awards in accordance with the terms of the awards, if the performance goals are satisfied, such determination to be in the sole discretion of the Compensation Committee or the Board, as the case may be; and
- reimbursement for health care premiums under COBRA until the earliest of: (i) twelve or twenty-four months following the date of termination depending on the reason for termination; (ii) the date she is no longer eligible to receive COBRA continuation coverage; or (iii) until she becomes eligible for medical insurance coverage provided by another employer.

Either party may terminate the employment agreement for any reason upon at least 90 days prior written notice. Upon termination for any reason, all vested equity awards will remain exercisable for 24 months following the termination. Receipt of the termination benefits described above is contingent on executing a general release of claims against our Company, resignation from any and all directorships and every other position held by the executive with our Company or any of our subsidiaries, and return of all Company property. In addition, Ms. Trombly will be required to comply with the confidentiality, non-compete, anti-solicitation and non-disparagement provisions of the employment agreement during the term of employment and for two years following termination.

**Employment Arrangement with Mr. Jerome Dvonch**

Effective February 7, 2024, our Board of Directors appointed Jerome Dvonch as our Chief Financial Officer. We agreed to pay Mr. Dvonch a base salary of \$240,000 per year. Mr. Dvonch is eligible for a bonus up to 50% of his annual salary, prorated the first year based on a fiscal year end of March 31 and dependent upon meeting specified performance goals. He is also eligible for equity grants within the normal employee equity programs and for benefits, such as vacation, and our medical, dental, vision and retirement plans.

**Potential Payments upon Termination**

The table below was prepared as though each of our Named Executive Officers had been terminated on March 31, 2026, the last day of our last completed fiscal year, without cause, or upon change of control, or resigned for good reason, as these terms are defined in the agreements with our Company. More detailed information about the payment of benefits, including duration, is contained in the discussion above. In addition to salary and benefits, the Compensation Committee or the Board of Directors may also award a discretionary bonus, the amount, type and payment of which is at the sole discretion of the Committee or Board. All such payments and benefits would be provided by us. The assumptions and valuations are noted in the footnotes.

**Annual Performance Bonus Plan**

Pursuant to our annual bonus plan, our executive officers, including our Named Executive Officers, have the potential to earn an annual bonus based on the individual’s contribution to our Company’s target goals and milestones. The performance bonus plan is designed to reward long and short-term performance of our executive officers. The Executive will be eligible for a target bonus of up to 50% of his or her base salary per year upon the completion of certain agreed-upon goals based on the sole discretion of the Compensation Committee, and may earn 120% of the target bonus per year for exceeding goals, in the sole discretion of the Compensation Committee.

The Compensation Committee establishes specific target goals and milestones for each executive officer to reward performance and individual and collective contribution to our performance. At its sole discretion, the Compensation Committee will determine whether to pay out the bonus, as earned, after the end of the fiscal year in cash, shares of stock, restricted stock units, stock options, or a combination thereof. For the avoidance of doubt, the Compensation Committee may determine that no bonus is payable to any or all executive officers. All decisions of the Compensation Committee are final.

The Compensation Committee will evaluate the performance of our executive officers against the corporate goals and objectives contained in the performance bonus plan after completion of each fiscal year and receipt of audited financial results of operations, on such date as determined by the Compensation Committee (except as otherwise expressly provided herein).

The Compensation Committee will review and consider changes and, if appropriate, make changes to the performance bonus plan for the following fiscal year during or at the end of each fiscal year and any other fiscal year for which the Compensation Committee resolves to extend the plan. The Compensation Committee shall have absolute sole discretion to amend the plan at any time.

The Compensation Committee is empowered to make additional awards to executive officers in its sole discretion. Any other awards to executive officers that may be made under the performance bonus plan may be made in the form of cash, restricted stock units, stock options or stock, or a combination thereof as determined solely by the Compensation Committee.

In determining whether stock awards shall be made, the Compensation Committee will take into consideration the shares available for grant under our Stock Incentive Plans, our contractual obligations to grant options, and whether it is appropriate to grant additional awards to attract or retain talented officers, other employees, or consultants. In no event shall the number of options, units, or stock granted exceed the number of shares authorized and available for awards to be made under our Stock Incentive Plans plus the known contractual obligations to grant options in the next one-year period. Options, units, or stock will be granted in compliance with all applicable securities laws.

The performance bonus plan does not intend to adjust the executive officers' base salary. To be eligible to receive an award or payment of a bonus, including vesting of stock, units, or options, under the plan, each executive officer must remain employed and in good standing with the Company as further described in our Stock Incentive Plans.

### *Retirement Benefits*

On January 1, 2011, we established a qualified 401(k) employee savings and retirement plan for all regular full-time U.S. employees. Eligible employees may elect to defer a percentage of their eligible compensation in the 401(k) plan, subject to the statutorily prescribed annual limit. We may make matching contributions on behalf of all participants in the 401(k) plan in the amount equal to 4% of an employee's contributions. All contributions are immediately fully vested. We intend the 401(k) plan to qualify under Sections 401(k) and 501 of the Internal Revenue Code of 1986, as amended, so that contributions by employees or us to the 401(k) plan and income earned, if any, on plan contributions are not taxable to employees until withdrawn from the 401(k) plan (except as regards Roth contributions), and so that we will be able to deduct our contributions when made. The trustee of the 401(k) plan, at the direction of each participant, invests the assets of the 401(k) plan in any of a number of investment options. Company contributions to the 401(k) plan amounted to an aggregate of \$117,441 and \$87,602 for the years ended March 31, 2026 and 2025, respectively.

## Proposal No. 2 – Advisory Approval of Executive Compensation

---

Pursuant to Section 14A of the Securities Exchange Act of 1934, we are asking stockholders to cast an advisory vote to approve the compensation on our Named Executive Officers for the fiscal year ended March 31, 2025, as discussed in the section entitled “*Executive Compensation*” in this Proxy Statement. While this vote is non-binding, we value the opinions of our stockholders and, consistent with our record of shareholder engagement, will consider the outcome of the vote when making future compensation decisions. This proposal, commonly known as a “say-on-pay” proposal, gives you, as a stockholder, the opportunity to endorse the executive compensation programs and policies and the compensation paid to our Named Executive Officers for the fiscal year ended March 31, 2026.

We believe in the power of open disclosure and know the only way to build and strengthen our reputation and our Company is through honesty and trust. In connection with that belief and as required by SEC rules, we are asking our stockholders to approve, on an advisory basis, the compensation that we paid to our Named Executive Officers for the fiscal year ended March 31, 2026.

As discussed under the heading “*Compensation Overview*” in this Proxy Statement, the Compensation Committee’s compensation objectives are to: attract and retain highly qualified individuals with a demonstrated record of achievement; reward past performance; provide incentives for future performance; and align the interests of the Named Executive Officers with the interests of our stockholders. The Board is asking stockholders to support this proposal based on the disclosure set forth in these sections of this Proxy Statement, which, among other things, demonstrates:

- our commitment to ensuring executive compensation is aligned with our corporate strategies and business objectives and is competitive with those of other companies in our industry;
- the design of our compensation programs is intended to reward our Named Executive Officers for the achievement of key strategic and financial performance measures by linking short- and long-term cash and equity incentives to the achievement of measurable corporate and individual performance goals; and
- our strong emphasis on the alignment of the incentives of our Named Executive Officers with the creation of increased stockholder value.

Your Board of Directors recommends that stockholders vote **FOR**, in a non-binding vote, the following resolution:

“RESOLVED, the stockholders of Sonoma Pharmaceuticals, Inc. approve on an advisory basis, the compensation paid to our Named Executive Officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and accompanying narrative disclosure under the heading “*Executive Compensation*” included in the Proxy Statement.”

## Audit Matters

### Report of the Audit Committee

---

The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is available on our website at <http://ir.sonomapharma.com/governance.cfm>. All members of the Audit Committee meet the independence standards established by the Nasdaq Listing Rules. Mr. McLaughlin, the Chair of the Audit Committee, meets the SEC standard for “audit committee financial expert.”

The Audit Committee assists the Board of Directors in fulfilling its responsibility to oversee management’s implementation of Sonoma’s financial reporting process. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to assess the Company’s internal control over financial reporting. Management is responsible for the financial statements and the reporting process, including the system of internal control over financial reporting and disclosure controls. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In discharging its oversight role, the Audit Committee reviewed and discussed the audited financial statements contained in the 2024 Annual Report with Sonoma’s management and the independent registered public accounting firm.

The Audit Committee met privately with the independent registered public accounting firm, and discussed issues deemed significant by the independent registered public accounting firm, including the matters required to be discussed by the applicable requirements of the PCAOB, or the Public Company Accounting Oversight Board. In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the firm’s independence from Sonoma and its management.

The Audit Committee has discussed with Sonoma’s independent registered public accounting firm, with and without management present, their evaluations of Sonoma’s internal control over financial reporting and the overall quality of Sonoma’s financial reporting.

In reliance on the reviews and discussion with management and the independent registered public accounting firm referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, the inclusion of the audited financial statements in Sonoma’s Annual Report on Form 10-K for the year ended March 31, 2026, for filing with the SEC. The Audit Committee has appointed Frazier & Deeter, LLC to serve as Sonoma’s independent registered public accounting firm for the fiscal year ending March 31, 2027.

Throughout the year, the Audit Committee will review any revisions to the estimates of audit fees initially estimated for the current year's engagement.

Pay Versus Performance

As required by Item 402(v) of Regulation S-K, we are providing the following information regarding the relationship between executive compensation and our financial performance for each of the last three completed fiscal years. In determining the “compensation actually paid” to our Named Executive Officers, or NEOs, we are required to make various adjustments to amounts that have been previously reported in the Summary Compensation Table in previous years, as the SEC’s valuation methods for this section differ from those required in the Summary Compensation Table.

Pay Versus Performance Table

The table below summarizes compensation values both previously reported in our Summary Compensation Table, as well as the adjusted values required in this section for fiscal years 2026, 2025 and 2024. Note that for our Named Executive Officers other than our principal executive officer, compensation is reported as an average.

\* The valuation assumptions for stock option awards included in Compensation Actually Paid are: (i) the expected life of each stock option, which is determined using the “simplified method” and which takes into account the average of the remaining vesting period and remaining term as of the vest or fiscal year end date; (ii) the exercise price and the asset price, which are based on the closing price of our Common Stock traded on the Nasdaq on the vest and fiscal year end date, respectively; (iii) the risk-free rate, which is based on the Treasury Constant Maturity rate closest to the remaining expected life as of the vest or fiscal year end date; (iv) historical volatility, which is based on the daily price history for our Common stock for each expected life period prior to each vest or fiscal year end date; and (v) the annual dividend yield, which was zero.

Relationship Between Compensation Actually Paid Amounts and Performance Measures

The charts below show, for the past three years, the relationship of the PEO and the other non-PEO NEOs compensation “actually paid” and (i) the Company’s Total Shareholder Return (TSR) and (ii) the Company’s net loss. While the Compensation Committee makes executive compensation decisions in consideration of a variety of factors, including corporate and individual performance, the decisions of the Compensation Committee and Board of Directors in 2026, 2025 and 2024 were made independently of these disclosure requirements.

### Security Ownership of Certain Beneficial Owners

The following table sets forth certain information as of July 24, 2026, as to shares of our common stock beneficially owned by: (1) stockholders known to us who own more than 5%, (2) each of our Named Executive Officers listed in the Summary Compensation Table, (3) each of our current directors, and (4) all of our directors and executive officers as a group.

We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws.

In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed outstanding shares of common stock subject to options held by that person that are currently exercisable or exercisable upon vesting. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. All share numbers have been adjusted to reflect a 1-for-7 reverse stock split, effective April 1, 2013, a 1-for-5 reverse stock split, effective June 24, 2016, a 1-for-9 reverse stock split, effective June 19, 2019, and a 1-for-20 reverse stock split, effective August 29, 2024.

### **Clawback Policy**

Pursuant to Nasdaq listing requirements, we have adopted a policy providing for the recovery of erroneously awarded incentive-based compensation received by our executive officers or the executive officers of one of our subsidiaries during an applicable recovery period (the “Clawback Policy”). Under the Clawback Policy, in the event that financial results upon which a cash or equity-based incentive award was based becomes the subject of a financial restatement that is required because of material non-compliance with financial reporting requirements, the Compensation Committee will conduct a review of awards covered by the Clawback Policy and recoup any erroneously awarded incentive-based compensation to ensure that the ultimate award reflects the financial results as restated. The Clawback Policy covers any cash or equity-based incentive compensation award that was paid, earned or granted to covered executive officers during the last completed three fiscal years immediately preceding the date on which we are required to prepare the accounting restatement.

### **Timing of Equity Awards**

While we have no set policy or practice regarding the timing of stock option awards or similar instruments in relation to the disclosure of material nonpublic information, we do not time the release of material information to affect the value of stock options. In general, the timing of stock option awards is dictated by the event or circumstance giving rise to the award and the schedules of the directors responsible for approving the award. In fiscal year 2026, options were not issued to our named executive officers during the period beginning four business days before and ending one business day after the filing of a Form 10-Q, Form 10-K or Form 8-K that discloses material nonpublic information. If, in the future, a stock option grant is made at a time that material nonpublic information exists, the directors approving the award would be responsible for considering the anticipated effect of that information on our stock price and would take such effect into account when sizing and pricing the award.

### **Delinquent Section 16(a) Reports**

---

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership on Forms 3, 4, and 5 with the SEC. Officers, directors and greater than 10% stockholders are required to furnish us with copies of all Forms 3, 4, and 5 they file. Based solely on a review of copies of such reports furnished to us by our officers and directors, we believe that, during the fiscal year ended March 31, 2026, no person required to file reports under Section 16(a) of the Securities Exchange Act of 1934 failed to file such reports on a timely basis during such fiscal year.

## “Householding” of Proxy Materials

---

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for us. Under this procedure, multiple stockholders who share the same last name and address will receive only one copy of the annual proxy materials, unless they notify us that they wish to continue receiving multiple copies. We have undertaken householding to reduce our printing costs and postage fees.

If you wish to opt-out of householding and continue to receive multiple copies of the proxy materials at the same address, you may do so at any time prior to thirty days before the mailing of proxy materials, which will typically be mailed in August of each year, by notifying us in writing at: Secretary, Sonoma Pharmaceuticals, Inc., 5445 Conestoga Court, Boulder, Colorado 80301, or by contacting us at (800) 759-9305. You also may request additional copies of the proxy materials by notifying us in writing at the same address or contacting us at (800) 759-9305, and we will undertake to deliver such additional copies promptly. If you share an address with another stockholder and currently are receiving multiple copies of the proxy materials, you may request householding by notifying us at the above referenced address or telephone number.
